2. IRREGULARITIES IN EXECUTION OF WORKS

2.1 Excess payment to contractor -

- **Daramdin GPU under Daramdin BAC**

As per the Procedure for execution of works given in chapter II Sections 5, the Public Works Manual, 2009, and the provisions contained in Rule 139 to 147 of Sikkim Financial Rule 1979, preparation of detailed design and estimates shall precede any sanction for works. Only when the detailed design and estimates are prepared, tenders have to be invited and processed in accordance with rules. To ensure a uniform, systematic, efficient and cost-effective procedure and to ensure fair and equitable treatment of bidders/contractors, Competitive Bid (Design-Bid-Build) Project Delivery Method is used where sequential phases of designing (estimating), bidding (or tender) and construction phase is carried out.

However while going through the file and records, it was observed that GPU had called NIT without obtaining Technical sanction from technical wing. Bidders have quoted the rate in above percentage without knowing the nature of work to be done.

Further, Technical wing had prepared the estimate after getting the rate quoted by the lowest bidder i.e 35% above duly compromising the volume of work to be done. In the above process the contractors were paid excess which are shown below GP wise.

The Head of office and other concerned staff of GPU must understand that the Government releases various grants to the local bodies for implementing developmental works for public benefits and upliftment of their day-to-day life.

The GP could not produce GPD Plan and Gram Sabha resolution to the audit team. The reasons for all the above discrepancies have been sought from the concerned authority

by the audit and advised to ensure utilization of funds in future properly and within the stipulated time period.

On scrutiny of record of the above works, the following observation were made: -

- To record the expenditure and other details of contractual works a Work Register has to be kept as prescribed in 'Gram Panchayat Development Plan Implementation Manual' which was not maintained till the period covered by the audit.
- To obtain a passed order from the Assistant Engineer, BAC and pay order from the Panchayat President at GPK in measurement book and Form no 24 (contractor's Bill) is a necessary procedure but the same was not complied with by the engineering cell of BAC nor by Gram Panchayat authorities.
- Recoveries, taxes and deductions were not made from contractors' bills resulting in the loss of revenue to the Government.
- It was observed from the records available at GPK that all the civil works were being implementing lately every year. The works included in the annual plan for 2018-19 were undertaken only in 2019-20 and works planned to execute in 2019-20 were still pending till 2020-21. Such delayed implementation of schemes certainly hampers the intended benefits and facilities to the people of the GPU.

On scrutiny of files and records of the works executed by Gram Panchayat during the financial year 2019-20 and 2020-21, although, the norms and instructions as far as possible had attempted to follow but some discrepancies were commonly noticed in every work. A list of few works out of the 23 works executed by Gram Panchayat and observations of audit are mentioned as below:

- Deduction of leviable taxes were done from the contractor's bills however, after the deduction the amount was still not credited into the Government account.
- It was observed that all the civil works were not executed as per the Annual Plan, which clearly indicates delay in the execution of the work. .
- To record the expenditure and other details of contractual works, a Work Register has to be kept as prescribed in 'Gram Panchayat Development Plan Implementation Manual' which was not maintained till the period covered by audit.
- It was observed that the Pay order was recorded in the measurement book by the BAC instead of the Panchayat President at GPK. The procedure says, on receipt of files and measurement book with contractor's bill duly passed by the Assistant Engineer of the BAC, the GPU should record pay order in the measurement book and contractors bill (Form no 24) to authorize for release of the payment.

Irregularities in Payment made for RWSS from Chuba Source to Senti Source amounting to Rs 3,55,000 - The Gram Panchayat had executed the above work duly following the prescribed procedure while obtaining approval and sanction however, at the time of payment the below mentioned irregularities were found on scrutiny of documents and files by the audit team: -

- iv. Proper channel not followed in the approval and sanction of the work bill. The

procedure for approval and sanction of any civil works and social sector bills involves the individual file which has to be routed through the BAC to streamline the system as per the guidelines of Gram Panchayat Development Plan Implementation manual, which was not followed by the Gram Panchayat as observed by the audit team. Owing to which the taxes and necessary deductions were not verified by the accounts section of the BAC before obtaining pass order by the Assistant Engineer of the BAC.

- Pay order was not recorded in the measurement book and Form No.24. On receipt of files and measurement book with contractor’s bill duly passed by the Assistant Engineer of the BAC, the GPU should record pay order of the Sabhapati in the measurement books and contractors’ bills (Form no 24) to authorize for release of the payment. In the absence of the pay order it is difficult to confirm whether all the payments were made or not.
- It was observed that all the civil works were not carried out as per the Annual Plan of the particular year. The above work pertains to the annual plan of 2019-20 or 2020-21. This clearly indicates delay in the execution of the works.

4. IRREGULARITIES IN PURCHASE PROCEDURE

4.1 Purchase of stationeries without calling quotation & no records of stock entries-

- **Hee GPU under Dentam BAC**

Scrutiny of records revealed that GP purchased 5 sets of Computer for Panchayat members worth Rs. 1,68,250/- from M/s I. Link for their office use directly from market without any quotation/tender without following due procedure resulting in gross irregularity. Non-adherence to financial rule shows unfair competition and favoritism.

Furthermore, before making any payment on account of purchase of store or stationery, all materials received should be examined, counted, measured according to specifications ordered and recorded in the Stock Register. The officers receiving the stores should also record a certificate on the relevant cash memo or invoice that he has received and entered the stores in the appropriate Stock Register, mentioning the page number of the register.

However, it was seen that GPK had incurred huge expenditure on purchasing office stationeries but no record of those items was found in Stock Register till date and certification of invoice/cash memos were also not done by the authorized person.

As a result, total receipts of stationery, its genuineness of utilization etc were not discernible from records.

- **Lingchom Tikjya GPU under Gyalshing BAC**

As per the normal procedure, all works/supplies proposed for execution by contract need to be notified in a form of invitation of tender through NIT. Payment of Rs. 84,979/- was made from OSR fund to M/s Techno care against purchases of Projector vide Cheque No. 169018 dated 08.01.2021.

However, while examining the records, it was found that GPK did not float a tender/quotation to avail the benefit of competitive rates as prescribed in GPDP manual rather the work was seen to be awarded directly to the supplier which is not permissible. In addition, payment was made without issuing a supply order to the

supplier which is against the purchase procedure.

- **Tadong Rinchenpong GPU under Kaluk BAC**

All works proposed for execution by contract will have to be notified in a form of invitation of tender through NIT to avail the benefit of competitive rates and make an agreement with the lowest bidder. However, GPK organized various awareness programmes for training directly without calling quotation; therefore no quotation & comparative statement of quotation was found for the following works. Thus it showed unfair competition and favoritism.

Sl.	Particulars	Cheque no. date	Amount
1.	Paid to Vice President for conducting computer training	065616/07.03.2019 (Advance) 076385/06.03.2020	45,780/- 45,780/-
2.	Paid to Panchayat President for Innotech Institution for conducting driving training	498617/06.10.2018 (Advance) 076386/06.03.2020	97,310/- 97,310/-

- **Sadam Suntaley GPU under Sumbuk BAC**

As per the normal procedure, all works/supplies proposed for execution by contract need to be notified in a form of invitation of tender through NIT.

However, while examining the records, it was found that GPK did not float a tender/quotation in many cases to avail the benefit of competitive rates as prescribed in GPDP manual rather the work was awarded directly to the supplier mentioned below, which is not permissible.

Sl.	Name of work	Cheque no/date	Amount
1.	Paid to Parveen traders for supply for construction of CCFP	274213/05.11.2019	1,79,377/-

3.	Paid to Anil Gurung AIDSG ent. for supply for const. of CCFP for Sadam S. School	279863/04.09.2020	1,49,872/-

4.2 Reimbursement drawn frequently-

- **Budang GPU under Soreng BAC, Dodok GPU under Soreng BAC**

It was seen that frequent withdrawal of money had been made through reimbursement on account of staff of GPK for purchasing stationeries.

Audit team has advised the GP that the office stationeries are purchased for a certain period of time rather than purchasing it recurrently and the purchase of stationeries should be done directly from the Supplier by issuing cheque instead of reimbursing the amount, except in case of some urgency.

- **Buriakhop GPU under Soreng BAC**

It was seen that frequent withdrawal of money had been made through reimbursement on account of staff of GPK for purchasing stationeries. And all those payments were made without following the purchase procedure.

- No tender/quotation was called for to avail the benefit of competitive rates.

- No payment voucher was created by GPK.
- No record of those items was found in the Stock Register till the date of audit.

The purchase of stationeries should be done directly from the Supplier with compliance of due procedure and payment made by issuing account payee cheque instead of frequent reimbursement by the officials except in case of urgency. The details of expenditure incurred without following proper procedure are detailed below.

Sl.	Particulars	Cheque no./Date	Amount
1.	Paid to Panchayat member for purchase of stationeries	065825/08.01.2020	33,000/-

4.3 Non-compliance of purchase procedure

- **Pachey Samsing GPU under Pakyong BAC**

On scrutiny of the relevant documents and files of the above payment, it was noticed that Rs 3,99,490 was paid by vide cheque No. 119348 dated 25/02/2021 for the supply of furniture and fixtures to provide to the schools and other institutions under 24 Pachey Samsing GPU.

As per Rule 132 of SFR all purchase related should be made from Sikkim Consumer Cooperative Society (SCCS) or if purchases be made from other registered firms/suppliers, proper purchase procedure has to be followed to ensure the quality and reasonable rates of any item however, the gram panchayat procured the above items ignoring all the prescribed purchase procedure in the rules.

Audit observed the following irregularities also on this matter:

- Payment was made to the proprietor instead of the firm which is irregular practice. Secondly, payment of TDS on GST also made to the supplier violating the GST rules.
- It was brought into information that the items were provided to various schools. However, the acknowledgement of the items received by the

head of the institutions of all the schools were not enclosed. Also, stock entry and issuance therefrom were also not produced to the audit.

Also, scrutiny of records at the GPU revealed that during the financial year 2019-20 the Gram Panchayat had procured office stationeries from the own source of revenue(OSR) account and paid an amount of Rs.1,82,500/- vide cheque No.078217 dated 11/07/2019 in the name of the proprietor Bhim Lal Sharma without following the purchase procedure as per the Sikkim Gram Panchayat Financial Rules,2003.It was also found that the items purchased were not entered in the stock register. Secondly, the payment was released in the name of the proprietor instead of the firm,such incompetence cast doubt of misappropriation of Gram Panchayat fund.

- **Boomtar GPU under Namchi BAC**

- Quotation was called but a comparative statement of quotation was not prepared.

- Purchase made without issuing Supply order.
- Payment voucher was not created by VAC.
- Entries of stationeries purchased for office purposes were not done in the stock register.

● **Budang Kamerey GPU under Duga BAC**

The details of expenditure incurred without following proper procedure are detailed below:

Sl.	Particulars	Cheque no. date	Amount
1.	Paid to Panchayat President for purchase of mask & sanitizer (SFC)	620616/06.05.2020	1,50,000/-
2.	Paid to Ganesh udyog for beautification of new GPU	000027/10.07.2020	1,43,086/-

On scrutiny of records of Gram Panchayat, audit noticed the following irregularities in its purchase procedure:

for sl. no. 1:

- As per the normal procedure, all purchases are to be made by inviting quotations, at least from three or more firms, from the market to avail the benefit of competitive rates but it was found that the VAC carried out the work without calling quotation which is against the purchase procedure.

For sl. no. 2:

- No comparative statement of quotation was prepared.
- Payment was done before issuing supply order

Such payments without documentation and proper records cast doubt on whether the fund was utilized for the genuine purpose or not.

● **Lingchom Tingda GPU under Kabi BAC**

GPK incurred an expenditure of Rs. 31,605/- while purchasing office stationeries vide cheque no. 921169 dated 18.06.2020 for which invoice of only Rs. 23,175/- was enclosed and the invoice for the remaining amount was missing, which is highly objectionable. Also, the work was awarded directly to the supplier without floating any quotation.

● **Rameng Nizrameng GPU under Namthang BAC**

On scrutiny of the relevant documents and files of the above-mentioned programme, audit observed the following irregularities:

- No beneficiary list found for the supply of items to the beneficiaries.
- Stock entry not done for almost all the purchased items.

- iii. Payment voucher not created for all the payments made.

- **Dentam, Bongten, Rongbul GPU, Micckhola GPU under Namchi BAC, Gyaten Karmatar under Dentam BAC**

It was seen that GPK had incurred many office expenses for purchasing office stationeries but no record of those items was found in Stock Register till the date of audit and certification by the concerned person was also not done.

As a result, total receipts of stationery, its genuineness of utilization etc were not discernible from records.

- **West Pendam under Duga BAC**

The actual plan in GPDP was to repair RWSS work at Singlebung ward but instead of executing it, the VAC purchased 90 no.s of Siltech tank at a cost of Rs. 6,93,000/- for public distribution.

Sl.	Particulars	Cheque no. date	Sanctioned	Amount
1.	Paid to M/s Babulal Agarwal for supply of 90 nos of siltech tank (2000 ltr.) water tank at Singlebong ward	118641/10.07.2020	7,00,000/-	6,93,000/-

Firstly, expenditure was incurred in works that were not incorporated in GPDP. Secondly, as per the normal procedure, all purchases are to be made by inviting quotations at least from three or more firms, from the market to avail the benefit of competitive rates but VAC did not call for tender/quotation. The list of beneficiaries who were given 90 nos of Siltech tanks was also not produced nor the acknowledgment from the beneficiaries made available. GPU is advised not to indulge in such irregular practices in deviation with the GPDP on executing works.

5. NON UTILIZATION OF FUND IN TIME

5.1 Under utilization of funds under SFC and FFC

It is apparent from the financial statement above that the gram panchayat fund was not utilized properly from the SFC/FFC schemes as per the projection made in the annual plans. Non utilization of funds provided by the government in a timely manner states that the people of the GPU were deprived of benefits intended for them through investment of these funds. This also shows the improper planning or inability to implement the developmental works in time by the authority of Gram Panchayat. The funds utilized as per the record are shown at **Appendix II.**

- **Yangtey GPU under Gyalshing BAC**

Government releases special grants to the local bodies for implementing specific schemes. These grants are to be utilized for the purposes for which they are meant for, duly following the relevant guidelines. On scrutiny, the audit team noticed that the bulk amount was kept unutilized during the financial year 2019-20 and 2020-21 under 14FC & SFC grant.

- Closing balance as on 31.03.2019 – Rs. 62,55,570/-
- Closing balance as on 31.03.2020 – Rs. 64,36,842/-

The Gram Panchayat must ensure utilization of the funds provided for developmental works for public benefits and upliftment of their day-to-day life.

- **Tangzi Bikmat GPU under Namthang BAC**

During the test check of records of the Gram Panchayat it was revealed that there was an opening balance of Rs 21,51,021/- and an amount of Rs 16,72,000/- was received as grants by Rural Development Department totalling to Rs. 38,23,021/- under 14th FC fund during the financial year 2019-20. Out of which the Gram Panchayat had utilized Rs 3,86,192/- only which were spent mainly for payment of salaries of functionaries of the GPU. The balance fund of Rs 34, 36,829/- remained unutilised as closing balance. Non utilization of funds states failure of proper planning and inability of execution of works in a timely manner and also the people of the GPU were deprived of benefits intended for them through investment of these funds.

- **Rumbuk GPU under Daramdin BAC**

On scrutiny of records and bank statements of VAC, the audit team noticed that the bulk amount was being kept unutilized during the financial year 2019-20 and 2020-21 under FFC fund. It was seen that VAC has been doing work approved in 2019-20 to the date of audit and has not started any work that was approved in 2020-21.

The Gram Panchayat must ensure timely utilization of funds received for developmental works which could uplift & benefit day to day life of the public.

- **Thingling Khechuperi under Yuxsom BAC**

The total fund received including previous year's balance during the year 2019-20 and 2020-21 as per the bank statement is given below wherein the balance fund of Rs. 49,88,583/- and Rs. 33,74,89/- remained unutilised at the end of the year. Non utilization of funds states that the people of the GPU were deprived of benefits intended for them through investment of these funds. It also shows failure of proper planning and inability of execution of works in a timely manner.

FY	Opening Balance	Receipt	Int	Total Receipt	Payment	Closing Balance
2019-20	3764777	5289121	121426	9175324	4186741	4988583

2020-21	4988583	2631618	135529	7755730	4380921	3374809

- **Central Pendam under Duga BAC**

Scrutiny of records at GP revealed that FY 2019-20 & 2020-21 the GPK had released an advance (details shown in table below) for conducting Broom binding training in FY 2019-20. But the final adjustment of advance has not been done till the date of audit. The amount of advance granted shall be adjusted with detailed bills and vouchers immediately on the completion of the work or by the 31st March whichever is earlier. Non-adjustment of advance for long period without sufficient and valid reason creates doubt on proper utilization of public fund

Also, Advance register was not maintained till the date of audit which shows the actual position of advances and their adjustment.

GP is now advised to maintain the Advance Register at the earliest & make necessary entries of all advances released by them as on date under intimation of audit and appropriate reply may be furnished to audit for non-adjustment of said work.

Sl.	Particulars	Cheque no.	Amount
1.	Advance paid to LD Dulal for conducting Broom binding training to SHGS (SFC)	620639/04.10.2019	2,00,000/-

- **Okharey GPU under Daramdin BAC**

2. Cheque No 067038 dated 04.09.20 ₹30,000/- for consumer awareness programme

However, the advances were not adjusted till the date (August 21). Non adjustment of advances in time cast doubt on proper utilization of public fund.

- **Namthang Rateypani GPU under Namthang BAC**

Scrutiny of records at GPU revealed that during the financial year 2019-20 the Gram Panchayat had released an advance of Rs 2,85,000/- vide cheque No. 002851 dated 01.10.2019 for Construction of Cafeteria at Upper Passi from 14th FC fund. However, the final adjustment of advance has not been made till date (August 2021) and the details of the payment made was not recorded in the respective measurement book also. Under the present system, the advances granted shall be adjusted immediately on the completion of the work or by the 31st March of the financial year whichever is earlier. Non adjustment of advance for a long period without sufficient valid reason creates doubt on proper utilization of public funds.

- **Namphing GPU under Temi BAC**

On a test check of records and paid vouchers, it was found that VAC released an advance of 3 lac from OSR fund for celebration of Senior citizens, however it has not been adjusted till the date of audit. Non adjustment of advances for a long period without sufficient reasons creates doubt about its proper utilization.

Sl.	Particulars	Cheque no. & Date	Amount
1.	Payment for celebration of Senior citizen Day	Not mentioned/ 21.02.2020	3,00,000/-

- **Rolep Lamaten GPU under Regu BAC**

It was observed during the course of audit that the temporary advances paid for the purpose as mentioned below were outstanding for a long time though they should have been adjusted through detailed bills and vouchers within three months or before 31st March of the financial year whichever is earlier as per Sikkim Gram Panchayat Financial Rules.

Scrutiny of records at GPU revealed that during the financial year 2019-20 & 2020-21 the Gram Panchayat authorities had released a total advance of Rs 2,35,000/- in two occasions. However, the final adjustment of advances had not been done till March, 2021). Further, the payment was made in the name of the owner instead of the institute's name which is a wrong procedure. Non adjustment of advance for a long period creates doubt on proper utilization of public funds and also fraught with risk of misappropriation.

Details of advance payment are given in the table as mentioned below.

SI	Particulars	Cheque no/ date	Amount	Scheme
1	50% Advance Paid to Hot Wheels Driving Training Institute owned by Mohammed Moor	045096 11/02/2020	175000/-	FFC

Total			235000/-	

6.2 Non maintenance of advance register

Advance Register is an important register to record the entries of advance payment to record the payment of Advance to any party for work to be executed. The advance drawn by the officers/contractor should be adjusted through detailed bills and vouchers within the time specified.

However, a test check of the cash book and other records of various works revealed that the amounts were drawn as advance but the relevant advance register was not maintained till the date of audit and no proper voucher/bills were shown to the audit that supports its adjustment. Unadjusted advance is not considered & booked

as actual expenditure as per the principle of accounting.

Although, the GP is advised to maintain the Advance Register at the earliest & make up to date entries of all advances released by them under intimation to audit. Some of the instances of advance drawn in GVK without keeping record in advance register and requiring adjustment are illustrated below:

- **Lungchok Salangdang GPU under Daramdin BAC**

During the course of the audit, it was found that the GPU had made advance payments for works but the relevant advance register was not maintained. In fact, the GPU was not in practice of not maintaining any advance register till the date of coverage of audit which is irregular and such practice is fraught with risk of non-submission of adjustment bill within stipulated time and also misappropriation of Gram Panchayat fund. In fact, the GPU has not maintained Register of Advances till date of audit (October, 2021) which is viewed as non-adherence of existing rules and also such practice is fraught with risk of non-submission of adjustment bill within stipulated time. Due to absence of sufficient records required to be maintained in advance register, the concerned GPU was not in position to indicate the actual position of outstanding advances and adjustments. The details of the advance payment made are illustrated as below:

6.3 Irregular advance for payment of PAA salary –

- **Assam Lingzey GPU (Nandok BAC)**

Salary of employee is to be paid on monthly basis after the close of month for the preceding month. On the contrary, the audit team found that the salary of PAA was paid in advance. It is to note here that withdrawal of money in advance to pay salary is not permissible as per financial rules and also leads to loss of interest component in Gram Panchayat fund. Drawl of honorarium in advance by the GPU is illustrated below:

7. DOUBTFUL EXPENDITURE

7.1 Fund released without approval – Bongten GPU under Dentam BAC

Any expenditure prior to being incurred should be supported by appropriate sanctions in accordance with the procedures laid down by the rules for which a proposal has to be processed in a file stating details of work to be executed. After obtaining approval & sanction from competent authority, the expenditure can be incurred against a valid bill or claim; enclosing all relevant supporting documents and creating a detailed voucher against that payment.

An amount of Rs. 42,000/- vide Cheque No. 037605 dated 04.02.2020 was released in favor of Tshering Phuti Lepcha for making expenses on Gram Sabha and awareness programme. However, it was found that the expenditure was incurred without processing a file for the said purposes and the voucher of payment was also not created by GPK. Payment was made only on the basis of cash memos.

Therefore, the payment without necessary records raises doubt on its genuine utilization of public funds therefore appropriate reply may be furnished to audit.

7.2 Irregular expenditure from OSR -

- **Sangadorjee GPU under Kaluk BAC**

Some of the transactions in the cash book found to be incomplete as narration supporting the payment were not recorded. Thus, the purpose for cheque drawn could not ascertain neither from the cashbook nor from the supporting documents presented to Audit. Thus, the withdrawal of money is found to be doubtful.

Sl.	Particulars	Cheque no. and date	Amount
1.	Paid to Ram Subash Rai	632087/11.03.2020	16,000/-
2.	Paid to Dawgay Lepcha	632100/16.03.2020	20,000/-
3.	Paid to Suresh Kr. Tamang	976111/12.10.2020	30,000/-

- **Timburbung GPU under Soreng BAC**

On scrutiny of records, it was seen that the total amount of Rs. 1,00,000/- was incurred in organizing felicitation programmes of Ex-Zilla & Gram Panchayat members and for distribution of poly-pipe to progressive farmers under Timburbung GPU. Out of which the amount of Rs. 50,000/- was taken as advance for the said purposes but it was not entered into the advance register as the GPK has not created Advance Register till the date of audit.

Besides, the amount was also drawn for the purpose of distribution of poly-pipe to the farmers but the list of beneficiaries was not certified & no revenue stamp or acknowledgment receipt was enclosed. As a result, evidence of distribution of poly-pipe was not found.

Rs. 50,000/- vide cheque no 335428/04.12.2019 (Advance)

Rs. 50,000/- vide cheque no. 335430/10.01.2020 (Adjustment)

The GP is advised to maintain the Advance Register at the earliest & make necessary entries of all advances released by them as on date under intimation of audit.

7.5 Utilization Certificate (UC) not obtained –

- **Pecherek Hee Patal GPU under Martam (West) BAC**

GPK released a fund in favor of AD Sports vide Cheque No. 55929 dated 24.02.2021 amounting Rs. 50,000/-. While going through the records, it was found that AD Sports has not submitted any voucher or utilization certificate or cash memo that proves the expenditure being actually incurred for the purpose specified. Non submission of UC by the concerned authority amounts to non-utilisation of fund so it requires a refund of the amount of Rs. 50,000/- by the recipient.

- **Samdong GPU under Kaluk BAC**

GPK released a fund in favor of the School Managing Committee (SMC) President for making financial aid to Boom Reshi Jr. High School vide cheque no. 087614 dated 24.03.2021 amounting Rs. 50,000/- and Buksan Primary School vide cheque no. 087615 dated 24.03.2021 amounting Rs. 50,000/-. While going through the records, it was found that SMC has not submitted any voucher or utilisation certificate or cash memo that proves the expenditure being actually incurred for the said purpose.

7.6 Doubtful payment

- **Namcheybong GPU under Pakyong BAC**

Scrutiny by audit revealed that GPU had made payment of Rs 1,00,000/- in favor of Kishore Kumar Rai paid by vide cheque no 110816 dated 08/07/2020 against the distribution programme of Nutrition and Protein for Pregnant and Lactating Mother. However, files and records for payments were not furnished to the audit hence, the quantity of items purchased & distributed, particulars of items (name of item) and list of beneficiaries were not known. The audit team hence observed this payment as doubtful payment.

- **Rongli Changeylakha GPU under Regu BAC**

On scrutiny of the cash book, it was found that an amount of Rs 2,56,200/- paid vide cheque no 047895 dated 17/02/2021 to Village Library Assistant and an amount of Rs 2,56,300/- paid vide cheque no 53539 dated 16/10/2020 to Panchayat President totalling to Rs 5,12,500. The files, records and bills as to how the money was spent were not produced to the audit and the details of the awareness programme explained were not satisfactory to the audit.

- **Malbasey GPU under Soreng BAC**

On scrutiny of records it was found that the GPK had made two transactions in respect of purchasing Furniture vide cheque no. 61344 dated 31.05.2019 amounting

Rs. 1,40,500/- and cheque no. 61345 dated 31.05.2019 amounting Rs. 2,04,500/- but the office could not show any records pertaining to those expenditures as it was informed by the staff of GPK that the file was lost while shifting office. Moreover, the payment was supposed to be made to Supplier directly but on the contrary, it was drawn in favor of the Panchayat President. Also, no record of those items was found in Stock Register till the date of audit; therefore, the furniture/items and its quantity being purchased could not be ascertained from any records.

- **Mamley kamrang GPU under Namchi BAC**

Advance of Rs. 2,00,000/- was released to Kungaria traders for maintenance of panchayat staff cabin from SFC fund vide cheque no. 055995 dated 24.04.2019 which was later adjusted on 06.06.2019 amounting Rs. 1,72,148/- but on scrutiny of detailed vouchers/documents, many discrepancies were noticed as VAC executed the said work without passing resolution in Gram Sabha, it was thus not in a GPDPlan of that financial year. Moreover, the work estimate for the work was also not drawn and the advance register was also not maintained in order to keep record of advance payment.

Such payments with no proper detailed documentation and records shows non compliance of rules on the part of VAC and other concerned authority. It therefore raises doubt on its genuine utilization of funds.

8. EXCESS PAYMENT

8.1 Excess payment-

- **Rumbuk GPU under Daramdin BAC**

GPK had conducted a Motor Driving training which was awarded to Dolma motor training institute for 2 months for 12 trainees at the rate of 6000/-per trainee, which totals to Rs. 1,44,000/- only.

But GPK made a payment of Rs. 1,50,000/- instead of Rs. 1,44,000/- in favour of Dolma Motor training Institute (advance of Rs. 90,000/- vide cheque no. 53787/04.03.2021 and Rs. 60,000/- as final settlement). The actual amount to be paid was Rs. 1,44,000/- only but GPK incurred an amount of Rs. 6,000/- in excess in favour of the Institute. Therefore, the audit team has advised to recover the excess amount from the incumbent and deposit it into the Gram Panchayat account with intimation to the audit.

- **Kitam Manpur under Namchi BAC**

On scrutiny of records, it was seen that VAC had released a cheque of Rs.53,654/- vide no. 53654 dated 21.02.2020 to Rajlaxmi Ent. for supply of CCTV at Kitam bazaar. However, the task was sanctioned only for Rs. 50,000/- but incurred Rs. 53,654/-. Therefore, an amount of Rs. 3,654/- was drawn in excess than actually sanctioned which is not permissible; no authority shall draw money more than what is sanctioned for the specified work.

In addition, it was also found that the VAC had not prepared a comparative

statement of quotation to ascertain the competitive rate of CCTV in the market. Also, the payment for supply took place without issuing a supply order to the supplier.

- **Sumbuk Kartikey GPU under Sumbuk BAC**

Amounts of Rs. 58,507/- and Rs. 1,39,894/- were withdrawn for repair of water pipeline at upper Suntaley ward for const. of milk collection center and const. of milk collection center respectively. But it was observed that GPK incurred an amount of Rs. 1807/- & Rs. 1473/- in excess in favour of contractor Bharat Manger & Mani Kr. Rai respectively.

The amount therefore may be recovered and deposited into the Gram Panchayat account with intimation to the audit.

Besides, security deposit (SD) should be released only after 3 months from the actual date of completion of production of no defect certificate from concerned AE but VAC released SD (prior) at the time of payment of bill.

Sl.	Name of work	Cheque no/date	Amount	Excess

- **Suldung Kamling GPU under Mangalbarey BAC**

With reference to the letter 6/RDD/P dated 29/04/2020 and 431/RDD dated 20/07/2020 the nodal department RDD has intimated the GPU to use the total amount of Rs 50,000/- for the COVID- 19 pandemic, however the GPU had incurred an expenditure of Rs 2,19,907 from the 14th FC/SFC account for the same which is violation of government instruction.

9. WASTEFUL EXPENDITURE

9.1 Wasteful expenditure -

- **Central Pendam GPU under Duga BAC**

According to Sikkim Financial Rule, every officer incurring or authorizing expenditure from public money should be guided by a high standard of financial propriety.

Yet, on test check of bank accounts, it was found that the VAC paid a surcharge of electricity bill amounting to Rs. 16,320/- from own source revenue (OSR) upto April to November 2020 as the power Deptt. had disconnected the electricity supply to VAC. This led to the wasteful expenditure of public money because had the electricity bill been paid on time, such expenditure would have been avoided. The

defaulter needs to have been made personally liable for payment of the surcharge to make good of the loss incurred by negligence instead of paying it from GP fund.

10. NON-REMITTANCE OF DEDUCTIONS/RECOVERIES FROM VOUCHERS/PAY BILLS/CONTINGENT BILLS

10.1 Revenue not remitted-

All money received by or on behalf of the Government shall be brought into Government account without delay. It is the duty of the concerned officer to ensure that the revenue collection is correctly assessed, collected and paid into the Bank.

- **Poklok Denchung GPU under Poklok Nandugaon**

As informed by an office member, HomeStay was constructed through the NERLEP project as Community Home Stay. At present the Home Stay is being taken care of by the Duai HomeStay Committee. However, the revenue generated by this home stay is not being remitted to the Government account till date.

- **Malbasey GPU under Soreng BAC**

It was informed and revealed that the revenue has been collected in cash but the same has not yet been deposited in the bank since 06.08.2019 which is highly objectionable. The Revenue collection register was also not shown to audit.

It is therefore advised to the head of office to realize the collected sums/revenue from the concerned person and deposit to the relevant bank account with intimation to audit enclosing the proof of deposits.

10.2 Non-Remittance of Revenue receipts of the work executed

As per rule, the head of every office shall be responsible to ensure that all revenue, receipts or other sums due to the Government are regularly and promptly assessed, realized and credited to the Government account under the relevant head of account.

The responsibility of depositing the amount with the government on/or before the due date lies with the deductor. However on scrutiny of bills, cash book and bank statement; it was revealed that although the payments have been made to suppliers/contractors and the deductions, viz., GST, TDS & Forest Royalty, were also deducted from various work bills but the same was not deposited into the Government account on time which shows its non-compliance on rule.

As per Notification no: 103/IT & CT/11(36)/2005 dated 28/03/2015 recoveries at the prevailing rates must be deducted from the bill submitted by the supplier and the contractor and credited into the relevant heads of the Government account. However, on scrutiny of records it was revealed that the Gram Panchayat had deducted the taxes and other recoveries from the bills as detailed below though the same was not credited to the government account till the date of audit period resulting in loss of revenue to the government.

According to the Section 194C of the Income Tax Act, any individual responsible for paying any sum to the contractor who carries out contract work is

obliged and required to deduct TDS.

Moreover, TDS is one kind of advance tax that is to be deposited with the government on/or before the due date specified and as per CPDT circular.

- **Maniram Phalidara GPU under Namchi BAC**

On scrutiny of bills, cash books and bank statement; it was revealed that forest royalty was not deducted from the work bill for the works mentioned below, which is highly objectionable. Thus non compliance to this rule resulted in a loss of revenue to the Government over the years.

11.2 Annual and supplementary budgets as prescribed in the Sikkim Panchayat Act not followed -

The Sikkim Panchayat Act, 1993 and Sikkim Gram Panchayat (Financial) Rule 2003, emphasizes on the preparation of budget annually for the estimated receipts and expenditure well in time for the succeeding financial years and also the Gram Panchayat should prepare supplementary budget each year for supplementary estimates providing for any modification of its budget. It is also specifically mentioned in the Act that “No expenditure shall be incurred unless the budget is approved by the Government”.

Under Section 83(1) and Section 46(1) of the Sikkim Panchayat Act, 1993 and the Sikkim Gram Panchayat (Financial) Rule, 2003, every Gram Panchayat shall at such time and in such manner as may be prescribed, prepare in each year a budget of its estimated receipts and expenditure for the next financial year. Any expenditure from Gram Panchayat Fund can be incurred only when there is a sufficient provision in the approved annual Budget for the financial year. However, on scrutiny of records by audit noticed that the expenditure was made without the preparation of the budget for the financial year 2020-21.

- **Ringhim Napitam GPU under Mangan BAC**

On scrutiny of accounts of Gram Panchayat, it was found that the Gram Panchayat Fund was being incurred by Gram panchayat authorities before passing/approval of budget. However, the fund provided by the State Government through the Rural Development Department and other Line departments to the Gram Panchayat has been taken as budget allocation and expenditure incurred on the basis of decisions taken at the Gram Sabha.

The practice of preparation of Annual Budget and approval of the same may be adopted before the starting of a new financial year and the expenditure may strictly be incurred as per the provision made in the sanctioned budget.

B. AUDIT PARAS OF ZILLA PANCHAYAT

Gist of some of the selected audit objections of Zilla Panchayats for the financial year 2019-20 & 2020-2021 raised during the year 2021-22 under report are enumerated below:

1. NON ADHERENCE TO RULE

1.1 Irregular payments in maintenance and repair of vehicles –

As per Sikkim Financial Rule, appendix 3A, 1. The expenditure on repairs of government vehicles shall not exceed the ceiling specified in Schedule I to this appendix. 2 (b) Expenditure incurred shall be included in the History sheet of the vehicle confining it within the cumulative ceiling limit. 5(b) Vehicles requiring repairs shall first be examined by the Sikkim Transport Department, who shall be the sole authority to examine the vehicles, certifying the extent of repairs that are necessary by issuing Technical reports.

- **South District Zilla Panchayat**

During the scrutiny of records on account of the expenditure on office vehicle & utility vehicle, various lapses were seen that are enumerated below along with the rules which the office failed to abide by.

SI	Vehicle no	Particulars	Chq no/ date	Amount
1	SK.04.G.0305	Reimbursement claim of Sr. A.O, for repair of vehicle attached to him, against bill no. 422/A/SDZP dt: 19/12/19	539817/19.12.19	40937/-
2	SK.04.G 0238	Reimbursement claim of A.E, SDZP for repair of vehicle.	539867/13.02.20	54351/-
3	SK.04.G 0282	Paid to Sikkim Motors for repair of vehicles attached to DPO.	539837/09.01.20	108962/-
4	SK.04.D.0311	Utility which was purchased during 2010, as per noting.	-	-
5	SK.04.D.0313	Utility which was purchased during 2010 as per noting.	-	-

For sl. no. 1 above –

- SDZP did not produce a voucher for the above payment. The details of payment were noted from the cashbook, ledger and bill register but vehicle number was not found to be mentioned in any of the registers.
- As per Rule 7, chapter II of SFR, no authority may incur any expenditure or enter into any liability involving expenditure from government account unless such expenditure or transfer as the case may be, has been sanctioned by general or special order of government.

On contrary to this rule, SDZP has withdrawn Rs. 40,937/-, as reimbursement claim for expenditure on veh. No. SK.04.G.0305, without processing and obtaining sanction from the competent authority. Also no entry was done in the History Sheet which restricts the expenditure to a laid down ceiling limit.

For sl. no. 2-

- Voucher of payment not produced to the audit team.
- As per Sikkim Financial Rules, appendix 3A 2(a) The Head of office can exercise their discretion to get the vehicle repair in private garages and sanction the expenditure if the cost of repair does not exceed Rs. 10,000/- in each case duly following the prescribed norms subject to maximum of Rs. 30,000/- per vehicle, per annum but not in excess of the prescribed ceiling limit as per scheduled I, but notwithstanding the rule, SDZP has drawn Rs.40,937/- at sl. no. 1 and Rs. 54,351/- at sl. no. 2, at a time.

For sl. No. 3-

- As per Appendix 3A, 2 (b) Expenditure incurred shall be included in the History sheet of the vehicle confining it within the cumulative ceiling limit. However, the audit team found that SDZP has not entered the bills in the history register due to which confining of expenditure within the cumulative ceiling limit could not be ascertained.
- Rate verification from SNT was not done.

For sl. No. 4 & 5-

- As per noting in vehicle file, two utility vehicles were purchased during 2010 and it was found that all the expenditures relating to the utility vehicles were done without obtaining technical report and without rate verification from SNT.
- History registers for both the above utility vehicles were not created. Thus, SDZP has not monitored the ceiling limit of these two utility vehicles.

● North District Zilla Panchayat (NDZP)

Various lapses were revealed during the scrutiny of vehicle records. Details are as follows:-

Sl	Vehicle no	Particulars	Chq no/ date	Amount
1	SK.03G0127	Paid to Sikkim Motors for maintenance and servicing of vehicles.	063641/30.5.2019	1,19,968/-
2	SK.03.G0037	Reimbursement of Up Adyakshya	095732/30.3.2021	18346/-

On scrutiny the audit team found that NDZP has not created a vehicle file and

history register of the vehicle no. SK.03 G 0127 due to which confining of expenditure within the cumulative ceiling limit could not ascertain.

NDZP has made payments of the reimbursement claims, without obtaining vouchers/cash memos from the concerned officers for which no supporting documents were enclosed with the contingent bill.

- **East District Zilla Panchayat**

Various lapses were revealed during the scrutiny of vehicle records. Details are as follows:-

Sl	Vehicle no	Particulars	Chq no/ date	Amount

On scrutiny the audit team found that EDZP has done incomplete history entries. From 18.9.15 EDZP has not done the cumulative total of the expenditure for sl. no. 1 above, due to which confining of expenditure within the cumulative ceiling limit could not be ascertained.

As per cash book for sl. no. 2, the expenditure was incurred for repair work of vehicle SK01G1649. But while going through the vehicle file, payment was not processed in the vehicle file. History entry was also not done. Technical inspection report from the Motor vehicle division, SNT Department was also not found.

- **West District Zilla Panchayat**

The purchase of tyre and tube needs to be made from STCS, instead the purchase was made from M/s Graphix, which was not an authorized dealer. Hence, there is a loss of 3% commission of STCS.

Sl	Vehicle no	Particulars	Chq no/ date	Amount
1	SK.02.G.0033	Paid to M/s Graphix for supply of 4 nos. of tyre & tube attached to Adhaksya.	530993/ 24.6.19	38395/-

1.2 Money withdrawn without obtaining administrative approval and sanction-

Any expenditure prior to being incurred should be backed by appropriate sanctions in accordance with the procedures laid down by the rules for which an authority has to process a file stating details of proposal being made. Only after obtaining approval & sanction from competent authority, the expenditure can be incurred against a valid bill or claim.

- **South District Zilla Panchayat**

On scrutiny, the audit team observed that SDZP had drawn a cheque vide no.

3. IRREGULARITIES IN PURCHASE PROCEDURE

3.1 Irregularity in purchase procedure

For purchases value of which exceeds Rs. 20,000/- but does not exceed Rs. 10.00 Lakh, the sealed tenders/quotations through advertisement in local newspapers should be invited.

- **South District Zilla Panchayat**

Scrutiny of the audit revealed that SDZP purchased a silent power generator worth Rs. 8,50,269/- directly from local vendors i.e., Chuba Perbing ZTC without inviting quotation. Thus, supply order was directly placed to the supplier; non-adherence to such financial rules shows unfair competition and favoritism. Also, file of the same was not produced to the audit team.

Sl	Cheque no	Particulars	Amount

6. INADMISSIBLE EXPENDITURES

6.1 Unauthorized payment of HSD –

- **South District Zilla Panchayat**

As per the Circular no. 30/Home/2005 dated 26.12.2005, the officials are entitled to draw their monthly POL/HSD to 60 liters only for office Bolero vehicles.

However, on a test check of records, the audit team found that the Sr. Account Officer (Sr. A.O) has been drawing 150 ltrs of HSD (for non touring vehicle) every month during the period covered by audit without enclosing approved tentative tour programme and consumption statement. Therefore, Zilla Panchayat has issued 90 ltrs of HSD in excess every month which is not authorized.

Since the unauthorized expenditure was incurred by the Sr. A.O, the amount may be recovered and deposited into the SDZP account with intimation to the audit and such practice may be stopped henceforth.

7. UNADJUSTED ADVANCES

7.1 Outstanding advances -

- **South District Zilla Panchayat**

During the course of the audit, it was found that many advances were drawn for various purposes by SDZP but most of them were lying outstanding till the date of audit.

As per the rule, TA advance shall be adjusted immediately on the completion of the tour or by the 31st March whichever is earlier. The right of a government servant to travel allowance including daily allowance shall be forfeited or deemed to have been relinquished if the claim for it is not preferred within one year from the date of which the journey is completed. The advance so granted shall be recovered from his pay or any other dues in one installment by the authority competent to sanction such advance. Notwithstanding, SDZP did not follow the above rule while incurring expenditure for sl. no. 1, 2, and 3.

Similarly, it is recommended that advances should be adjusted as soon as bills are submitted or by the end of financial year whichever is earlier, so that the true and fair position of the account can be depicted at the year end. But no such rule was found to have been followed while incurring expenditure for sl. no. 4 to 16.

Besides, Advance Register indicates the actual position of outstanding advances and their adjustment but entry for almost all the advances drawn were not done by SDZP in advance register; due to which adjustment of the advances being made could not be ascertained for the below-mentioned expenditures.

8. NON-UTILISATION OF GRANT IN TIME

8.1 Parking of fund –

- **West District Zilla Panchayat**

On scrutiny by audit, it was revealed that WDZP has huge sums of savings in the close of the financial year. Grants which should have been utilized in various development works remained parked in the various accounts as made evident in the figures given above in financial position. Closing balance of Nirmal gram (ICDS) account as on 31.3.2020 was Rs. 3358142. There was no transaction during the financial year 2020-2021. It shows failure of proper planning and inability to execute works in a timely manner. Such instances of mismanagement of resources is highly objectionable which could have been easily avoided.

9. NON PRODUCTION OF RECORDS

9.1 Non Production of records

Keeping important records in a safe custody and in proper manner is essential to maintain the transparency as well as accountability of public funds. It is the duty of the Executing Authority to provide reasonable facilities to the audit for the discharge of his function and furnish the fullest possible information required by him for any official account & report.

Schools for which no supporting documents like certified cash memos, hand receipts were enclosed; only payment

vouchers were created.

11. WASTEFUL EXPENDITURE

11.1 Irregular payments from WDZP account –

- **West District Zilla Panchayat**

Scrutiny by audit revealed that Zilla West paid a penalty due to delay in payment of token tax within a due date of below-mentioned vehicles. Prevailing rule dictates that any fine or penalty must be borne by the concerned officer which has not been the case here; Zilla West paid an excess amount over the actual amount from a scheme which is highly irregular.

Sl.	Particulars	Ch. no./ date	Token tax	Penalty
1.	Token tax penalty of SK01.G.0037 attached to Up Adakshya	884081/19.2.20	13500	4500

The penalty amount may be recovered and deposited to WDZP account with intimation to audit.

12. LOSS OF REVENUE

- **East District Zilla Panchayat - Non collection rent of canteen at EDZP –**

As per the canteen tender file, work was allotted to Shri Sonam Pintso Bhutia, @ 13500/- p.m for the period of one year 01.06.2019 to 30.06.2020; however, scrutiny of audit revealed following observations:

- Exempted for March, April, May, July, August and September 2020
- Due to austerity measures imposed, EDZP could not process tender so extension was given upto December 2020.
- Extension from 01.01.2021 to 30 .06. 2021, record of issuance of extension for the above period was not found.
- Rent amount was adjusted from Security deposit; however, it was not fully realized.

Rent amount due Rs. 69,010/- up to 26.04.2021

Security deposit (-) Rs. 50, 000/-

Rs. 19,010/-

No record was found regarding collection of dues i.e. Rs 19,010/-.

- **East District Zilla Panchayat - Cafeteria & Public toilet near Topakhani -**

During the course of the audit, it was revealed that EDZP constructed Cafeteria and Public toilet near Topakhani. As per the assessment done by the Engineering cell of EDZP office, valuation of rent was done @ Rs 13000/- per month considering the cost of construction, repair, etc. However, EDZP reduced the valuation and awarded the contract at a very low rate.

Although EDZP has a very limited source of income i.e., Cafeteria at Topakhani and Canteen at Head Office, EDZP incurred loss in revenue ranging from Rs 7800/- to Rs 7990/- per month in two Financial years as stated in this case above.

#	Year	Contractor	Rate	Valuation	Loss (pm)

2	2020-21	Tika Maya Gurung	5200/-	13000/-	7800/-

PART II

A. AUDIT PARAS ON NAGAR PANCHAYAT

Some of the selected audit objections of Nagar Panchayat for the financial year 2019-20 & 2020-21 are enumerated below.

1. NON ADHERENCE TO RULES

1.1 Non-compliance of rules in purchase procedure –

- **Gyalshing Nagar Panchayat**

On scrutiny of records of Municipal fund of the Nagar Panchayat, audit noticed the following irregularities in its purchase procedure:

- (i) No tender/quotation was called to avail the benefit of competitive rates.
- (ii) No comparative statement of quotation was prepared.
- (iii) Invoice was not certified by the concerned authority
- (iv) Purchase made without issuing supply order.
- (v) Entries of stationeries purchased, was not done in stock register

The details of expenditure incurred without following proper procedure are detailed below.

Sl.	Particulars	Cheque no. dt	Amount
1.	Paid to Rasna Enterprise for procurement of revolving chair etc.,(OSR)	008634/ 04.04.2019	23,364/-
2.	Paid to Tika Ram Chettri for purchasing misc. items (OSR)	008555/ 12.06.2019	24,470/-

4.	Paid to Rasna ent. for purchasing office items (OSR)	011179/ 31.10.2019	24,780/-

1.2 Non maintenance of History sheet of vehicles -

- **Gyalshing Nagar Panchayat**

As per the Appendix 3A of Sikkim Financial Rules,1979, all records of expenditure incurred shall be included in the History Sheet, as specified in Schedule I of above rule, of the vehicle confining it within the cumulative ceiling limit.

However, scrutiny of records revealed that the Nagar Panchayat had not maintained the history sheet of the following vehicles. Thus, the cumulative expenditure on repair and maintenance of the vehicles could not be ascertained.

The Head of Office should ensure that a register of the expenditure on account of repairs is maintained for each vehicle and the cumulative limit of vehicle per year is not exceeded and overall expenditure is within the prescribed ceiling limit.

2. MISCELLANEOUS

2.1 Loss of Interest on funds kept in current account –

As per standing Government instructions, all monies received should be held in the savings bank account with State Bank of Sikkim or any other Nationalized Bank.

- **Gyalshing Nagar Panchayat**

On a test check of Bank accounts, it was found that the Nagar Panchayat has held a current bank account for OSR (Revenue) scheme at IDBI bank, Gyalshing Branch bearing an account no. 1887102000000259 . This has resulted in a loss of earning of interest over the years till date.

Audit team has suggested the concerned authority to switch to the interest bearing bank account i.e, savings account as soon as possible for the OSR scheme and intimate the same to the audit.

2.2 Non deduction of Contributory Pension Fund (CPF) of regular employee -

- **Gyalshing Nagar Panchayat**

As per notification no. 70/PN,117/Pen/05 dated 24.05.2006, it is mandatory for all new government employees who are recruited on or after 01.04.2006, to become member of the pension scheme and pay a monthly contribution of 10% of their basic pay for which matching contribution will be made by the State Government for each employee.

However, pension contributions of three employees who were regularized on 08.03.2019 has not been deducted till the date of audit. The names of the employees are Ms. Narbada Chettri, Peon (BP-15,200/-), Mr. Subash Chandra Singdel, Supervisor (BP- 15700/-) and Mr. Lila Raj Sanyasi, Safaikarmachari (BP-15,200/-).

It is suggested that the contribution of all these employees may be deposited as early as possible in order to enjoy the pension benefit.

B. AUDIT PARAS ON MUNICIPAL COUNCIL

Some of the selected audit objections of the Municipal Council for the financial year 2019-20 & 2020-21 are enumerated below.

1. NON ADHERENCE TO RULES

1.1 Irregular payments in maintenance and repair of vehicles –

- **Namchi Municipal Council**

Various lapses were revealed during the scrutiny of records pertaining to the expenditure on Government vehicles for instance; repair/maintenance works were done without obtaining Technical inspection report from Motor vehicle division (SNT Department) in the case of sl. No. 1, 2, and 3 below.

In addition, records such as vehicle log books were not provided to the audit and the history sheet was also not maintained properly. In fact, History sheet entry was not done on purchase of tyres and tubes of SK.04.D.0327.

Details are as follows:-

Sl	Vehicle no	Particulars	Chq no/ date	Amount
1.	SK.04 G 0042	Purchase of new tubules tyres.	039478/2.9.2019	63,488/-
2.	SK.04 G 0042	Repair of vehicle	045587/4.11.2019	45,142/-
3.	SK.04 G 0041	Repair of vehicle	043751/30.9.2019	43,499/-
4.	SK.04.D.0327	Reimbursement for purchase of tyres and tubes.	542705/9.11.2020	43,100/-
		Total		195229/-

1.2 Unauthorized payment of HSD -

- **Namchi Municipal Council**

As per the Circular no. 30/Home/2005 dated 26.12.2005, prescribed limit of HSD for bolero is 60 liters. On a test check of records, the audit team found that the MEO of NMC has been drawing 150 ltrs of HSD every month during the period covered by the audit, without enclosing approved tentative tour programmes and consumption statements. Therefore, MEO has been drawing an extra 90 liters of HSD every month, which is not authorized. Such practice may be stopped immediately.

Since the unauthorized expenditure was incurred by the MEO, the amount may be recovered and deposited into the NMC account with intimation to the audit.

1.3 Non maintenance of Log book/daily consumption Register for Garbage/Cesspool vehicles -

- **Namchi Municipal Council**

Scrutiny of record reveals that NMC has not maintained vehicle log books of garbage vehicles and cesspool vehicles, due to which the actual kilometers covered could not be ascertained. Moreover, NMC is in the practice of issuing 25 ltrs of HSD

daily to its garbage and cesspool vehicles whereas the NMC was supposed to issue HSD taking into account the kilometer covered by garbage and cesspool vehicles respectively.

Hence, such practice may be stopped and create vehicle logbooks and issue the HSD as per the kilometers covered/run.

2. INADMISSIBLE EXPENDITURE

2.1 Irregular payments from NMC account -

- **Namchi Municipal Council**

According to Sikkim Financial Rule, every officer incurring or authorizing expenditure from public money should be guided by a high standard of financial propriety.

On the contrary, scrutiny by audit revealed that NMC made a penalty of Rs. 3,770/- due to delay in payment of token tax of vehicle no. SK04/D/1148 within a due date and in such case, penalty on token tax must be borne by the concerned officer as per prevailing rule but the amount was incurred from the public fund which is highly irregular.

Detailed as below:-

Sl	Particulars	B.r no./ date	Amt. paid	Penalty
1	Token tax penalty of SK04/D/1148	26209/3.3.20	11310	3770

Audit team has suggested recovering the penalty amount and depositing it to the NMC account with intimation to the audit.

3. EXCESS EXPENDITURE

3.1 Excess expenditure on repair of vehicles -

- **Namchi Municipal Council**

Sikkim Financial Rules states that as per Para 1 in Appendix 3A that the expenditure on repairs of Government vehicles shall not exceed the ceiling specified in Schedule I of this Appendix wherein year wise cumulative ceiling on cost of repairs is stipulated. However on scrutiny of records, it was revealed that NMC had exceeded the ceiling limits stipulated in Government instructions which is highly irregular.

Sl.no.	Vehicle no.	Vehicle type	Years completed	Ceiling limit	Expenditure incurred	Excess
1.	SK/04/G/0041	Scorpio	4	104000	131626	27626
2.	SK/04/D/1148	Truck	13	975000	1587648	612648
3.	D0323	Truck	8	550000	958339	408339
4.	D0324	Truck	8	550000	1106386	556386
5.	D0188	Truck	3	141000	152112	11112
	Total					1616111

4. MISCELLANEOUS

4.1 Loss of interest due to non-compliance of Govt. instruction -

- **Namchi Municipal Council**

As per standing Government instructions, all monies received should be held in the savings bank account with State Bank of Sikkim or any other Nationalized Bank.

However, the audit observed that NMC has two bank accounts for EPF & POS machines in current account bearing account no. 34804252679 in Axis & 676401010050065 in Union bank respectively. This has resulted in a loss of earning of interest over the years till date.

Audit team has suggested the concerned authority to switch to the interest bearing bank account i.e, savings account as soon as possible and intimate to the audit.

4.2 Irregularities in payment of Regular employee salaries -

- **Namchi Municipal Council**

As per records, it was noticed that four Jr. Safai Karamcharis were regularized in the office of NMC and are CPF account holders but it was seen that they have not been given allowances as per Revised Pay Rules 2018. The following allowances were not added in their salary till the date of audit because of which the employees were receiving less salary than their actual gross salary;

- a. Minimum house rent allowance i.e. Rs. 3500/-
- b. Traveling allowance Rs. 500/-
- c. Risk allowance

CONCLUSION

The conclusion drawn on the basis of audit conducted on the accounts of the Local bodies are enumerated as under:

Initially, the auditing of accounts of the local bodies in the state of Sikkim started from the financial year 2012 – 2013, and continuing to present day. The audit procedures carried out, and audit conducted on the accounts of the local bodies is on the basis of the Sikkim Local Fund Audit Act 2012, which mandates the Directorate of Local Fund Audit to conduct audit on the accounts of the Local Bodies, in conformity to the recommendations of the Eleventh Finance Commission, Government of India. During the audit, various irregularities and discrepancies appear in most of the Local body institutions and objections raised. However in response to those observations, the audited institutions initiated to take note of the audit suggestions and there is a marked improvement in the book keeping & accounting. During 2020-21 the DLFA tried to cover Audit of all PRI and urban local bodies including those not covered during the year 2019-20, as the auditing was disturbed by the global pandemic and no significant result achieved during 2019-20. However, the left out institutions during 2019-20 have also been covered along with the accounts of financial year 2020-21 for all the PRIs.

Most of the local bodies have cooperated with the audit teams, and apparently their way of working is getting better. The improvement is felt in those institutions where DLFA had conducted audit regularly. However, the administrative department are reported to not providing necessary training to PRIs and ULBs functionaries emphasizing on the Book keeping and Accounting in the Institutions. The administrative department were therefore suggested to carry their internal checking in their GPUs and provide all logistics for improvement in Accounting procedures.

Non adherence to rules, notification and circulars of the State Government were noticed in the functioning of Local Bodies. In most of the Local Bodies, annual budgets were not prepared and expenditure incurred without preparation of voucher and availability of budgetary provision as required under the provisions of the respective Acts/Rules. Annual budget (estimated receipts and expenditure) for next financial year based on annual plan/development plan were not prepared in most of the cases. Lack of co-relation were noticed between the budget and expenditure. The Local Bodies have neglected to remit the realized revenues like GST, TDS & Forest Royalty into Government account. The Local Bodies have not realized commission on printing and stationary charges as required under the prevailing rule. On procurement of stores, adoption of rates without proper survey, analysis and investigation of prevailing market rates resulted in excess payments which were noticed in the Local Bodies during the course of audit.

The basic records like Cash Book, Receipt and Payment Register, Balance Sheet, Assets and liabilities Register; Advance Register, Contingent Audit Register/Ledger, Bill Register, Salary Audit Register were not maintained in most of the PRIs/ULBs. Non levy of taxes under Sections 39[1] and 40[1] of Sikkim Panchayat Act, 1993 were also noticed.

The audit online application was launched on 15th April 2021 by the Secretary, Ministry of Panchayat Raj through a VC. The aim of VC organized was to facilitate online audit of accounts of all PRIs. The states were asked to initiate audit online for

20% GPs for the accounts of 14th FC grants of the year 2019-20. On the recommendation of 15th FC, the Ministry of Panchayati Raj on 22nd June 2021 directed to all the states for 100 % audit of the accounts of PRIs for the expenditures incurred under the 14FC & XV FC grants. The state has successfully completed the given target of 20% & 100% audit of accounts of GPUs & Zilla for the FYs 2019-20 & 2020-21 respectively.

The audit coverage of GPUs in the state has been gradually increasing, year by year in spite of limited manpower in the Directorate.

The Principal Director and other officials of LFA Sikkim had also attended the VC of state Local Fund Audit of North Eastern Region (NER) which was conducted on 11th march 2022 by the office of Comptroller of Auditor General of India, Delhi. The effort and progress made on audit online with limited manpower by the auditors of Local Fund Audit Sikkim was also appreciated & applauded in the VC held.

During the course of audit, the audit team as far as possible took all efforts to sensitize the concerned authorities of the Local Bodies regarding all the relevant standing Government Rules and norms; and also Financial Rules framed for governance of local bodies. The Local Bodies were also familiarized with regard to the proper book keeping of all items of expenditure and revenues. The concerned authorities of the Local Bodies have assured the Audit Teams that the existing lacunae will be looked into and all necessary actions would be taken to ensure that the suggestions made by the Audit team will be strictly adhered to in future.
