NON-ADHERENCE TO RULES

1. Improper maintenance of basic records in support of payments

1.1 Improper maintenance of Cash Book

As per the Sikkim Financial Rules (para 37), every officer receiving money on behalf of the Government should maintain a cash book in the prescribed form. The cash book should be treated as one of the most important accounts records of the office. And all the transactions must be entered in the cashbook as soon as they occur and in order of their occurrences and attested by the head of the office in token of the check.

Khaniserbong Suntaley GPU under Mangalbaria BAC

The GPK releases cheques without recording a complete narration or information in the cash book as the name of the payee was not found recorded in many cases and in some cases, cheques bearing the same number are recorded in two or more entries. It is seen as negligence on the part of GPK.

Chota Samdong GPU under Chumbong BAC

It was noticed that Rs. 24,500/- was withdrawn vide cheque no 147499 dated 28/06/2021 (Bank A/C No. 100734029100066) for payment to Sachiva for office expenses and stationeries, and for vaccination purpose, but Rs 25,500/- was reflected in the cash book of the GPU. Further, withdrawal of Rs. 7950/- vide cheque no 147493 dated 13/4/2021 (Bank A/C No. 100734029100066) was drawn in f/o M/S N Marda & Associates but details of this transaction were not reflected in the cash book which shows that the cash book is not properly maintained. Further, it was noticed that the **Bill register, Contingent Audit Register, Work register, Salary Audit Register, and advance register** were not kept and maintained in the GPU.

Namok Swayam GPU under Mangan BAC

Audit scrutiny revealed that the transactions have been entered in the cash book. However, the entries have not been authenticated by the President/Secretary as required under the rule. Moreover, page number certification was not done and narration in cash books was incomplete in some cases.

Bering Tareythang GPU under Pakyong BAC

In the course of the test check of the cash book maintained the following irregularities were also noted:

- Overwriting, corrections, and alterations of figures in the cash book had not been attested by the officer in charge without which it is not permissible. It was observed to use corrections pens mostly for all the errors rectified.

The amount recorded on the receipts and payments side, in most cases, had not been totaled and not closed on a monthly/quarterly which is required to be done. Consequently, the cash balances on a particular date could not be ascertained.

1.2. Non-maintenance of payment voucher

According to Rule 4 (3) of the Sikkim Gram Panchayat Financial Rules 2003 all receipts and payments shall be duly supported by vouchers which shall be numbered and their number shall be recorded in the Cash Book. All receipts and payment vouchers shall be kept separately in order of their number.

Mendogaon Barbotay GPU

The work Construction of the water reservoir tank at Rupsang Vittey Gaon- Rs. 1,00,000/-was completed on 29/09/2021 but on scrutiny of documents it was revealed that materials like cement, rod, etc were purchased on the 31/10/2021 one month two days after completion of the work as per the tax invoice no. 001 of M/S Hamro Enterprise and the work Construction of Rural Marketing Centre (RMC)- Rs. 1,60,000/-was completed on 30/09/2021 but on scrutiny of documents it was revealed that materials like cement, rod, GI sheet, Ply, and bricks were purchased on the 30/10/2021 as per the tax invoice no. 002 of M/S Hamro Enterprise, which interprets that the materials were not used for this work.

Upper Thambong GPU

On the repair work of GPK and construction of the Truss at GPK, U. Thambong, the following discrepancies were seen:

payment was made without technical sanction by the concerned officer.

Central Pendam GPU under Duga BAC

The GPU had executed work for the maintenance of Khanal Dhara source at Karimthang for Rs. 2,00,000/- in FY 2021-22 and the following irregularities were seen:

No pass order (by Engineering cell) and pay order (by the Sabhapati) was obtained at the time of the release of payment.

No cheque no. & date mentioned in MB.

Forest Royalty not deposited.

Only CB was created, and no other supporting documents were enclosed.

Amba GPU under Pakyong BAC

On scrutiny of the file and records of the work executed by Gram Panchayat for repair & replacement of RWSS Pipeline at Lassithang ward no.1, the payment was made from 14th FC amounting to Rs. 2,50,000/- but the payment details indicating cheque no, date & amount was not found recorded in Measurement Book.

Namcheybong GPU under Pakyong BAC

The work on the construction of the Stormwater Drainage System at Baidang Raigaon was executed in FY 2021-22 & released Rs. 1,40,406/- from 15th FC fund. It was found that the enlistment of Anuka Rai who was the contractor of this work was not found in the file and the Signature of BDO, AE & JE was missing from the Bill.

Patuk Singbel GPU under Rakdong Tintek BAC

The GPU had executed work on the construction of an organic vegetable stall at Slaenbong and another work of making a hand wash basin at 10th mile Makha. In this regard, GPU made payments from the 15th FC amounting to Rs. 90,000/- and Rs. 89,911/- respectively. It was found on scrutiny of the work file that no estimate of work was found of both the work in the file.

Samdong Kambal GPU under Rakdong Tintek BAC

Many works were executed in FY 2021-22 from the 15th FC fund. Some of the instances are a) Construction of RWSS at Replakha village b) the Construction of a protective wall at Durga Mandir at upper Raley and c) the Installation of street solar light.

On scrutiny of files & records of works executed by GPU, the following discrepancies were found.

Pass orders and Pay orders are not recorded in the measurement book (MB) and Form No.24. On receipt of files and measurement book with the contractor's bill duly passed by the Assistant Engineer of the BAC, the GPU should record pay order in the measurement book and contractors bill (Form no 24) of each payment with the name of the payee, Cheque no/date and amount payable, to authorize for release of the payment by the Sabhapati. In the absence of a payment order, it is difficult to confirm whether all the payments were made or not.

Forest Royalty was not deposited in the Government account. It was observed that the Forest royalty amounting to a cumulative total of Rs 1,673/- was not deposited for the works mentioned above.

Technical Sanction missing from the file.

BorongPhamtam GPU

GPU had executed repair work of the water source at Devithan source Adda amounting to Rs 1,46,100 under 15th FC & construction work of SetiKhola Tourist Cafeteria amounting to Rs 3,20,170 under 14th FC. Discrepancies found in its execution are listed below:

- Passed order and Pay order were not recorded in Form no 24 and Measurement books (MB).
-
- File was not routed through the account section of the BAC and necessary taxes and recoveries were not adjusted/deducted from the bills.

Malbasey GPU

On scrutiny of files and other records of the work “**Construction of RCC bridge at Lavit khola near Thapa Gaon, ward no-2**” the Gram Panchayat had attempted to follow the above procedure, but still the following lapses were noticed by the audit.

Pass Order and Pay Order were not recorded in the Measurement Book and Form no 24.

It was observed that the date of completion of work was 25/10/21 but forest royalty with challan receipt no 45620, 45622 dated as 17/11/21 which may be seen as a contradiction.

To capture a collective and progressive record of expenditure of each work and posting of entries when the payment is made the “Register of works “ as under The Sikkim Gram Panchayat (Financial) Rules,2003 [7(1) & (2)] it is a mandatory record, however the same was not maintained by the GPU.

The processing of files as stated above was not followed before the release of payments.

Mangsari Mangerjung GPU

On scrutiny of files and other records of the work “Renovation of main reservoir tank at ward no 5 amounting to Rs 1,20,000/-(15th FC)” the Gram Panchayat had attempted to follow the above procedure, but still, the following lapses were noticed by the audit.

i) The work file was not routed through the concerned BAC for the deduction of liable taxes from the contractor.

ii) To capture a collective and progressive record of expenditure of each work and posting of entries when the payment is made the “Register of works “ as under The Sikkim Gram Panchayat (Financial) Rules,2003 [7(1) & (2)] it is a mandatory record, however the same was not maintained by the GPU. However, it was observed the GPU has started the practice of maintaining the register of works from the FY 2022-23.

iii) Pay order was not recorded in the measurement book and Form No.24. iv) The above work was formulated under the annual plan of 2020-21 but the execution was done in FY 2021-22.

Soreng GPU

GPU executed civil works viz., Construction of CCFP from the house of Buddha Tamang to ICDS, Centre under Soreng GPU amounting (Rs 1,00,000/- 15th FC), Construction of CCFP from Adhikari Gaon to Kharka Gaon under Soreng GPU (Rs 1,00,000/-15th FC)but the following lapses were noticed by the audit.

Under clause 5 of SPWD Code and Manual 2009, a request for an extension of time eligible for consideration shall be made by the contractor in writing fourteen days before the event causing a delay in the prescribed form. However, it was observed, the duration as specified in the letter of the award stated 3 months as completion but the work was completed at 6 months. Neither the extension letter to the concerned engineer was submitted for an extension of the time for works labeled as 1.

The passed order and the payment order were not recorded in the Measurement book (MB) nor in form no 24.

To capture a collective and progressive record of expenditure of each work and posting of entries when the payment is made the “Register of works “as under The Sikkim Gram Panchayat (Financial) Rules, 2003 [7(1) & (2)], it is a mandatory record, however the same were not maintained by the GPU.

For works labeled above as 2, the date of completion of the CCFP was 06/10/21 but the forest royalty payment challan with receipt no 45611,45612 was dated 28/10/21 which clearly shows a contradiction.

2.2 Civil works not carried out in the whole financial year 2021-22 from 15th FC Darap Nambu GPU under Gyalshing BAC

Government releases special grants which are to be utilized for the purposes for which they are meant, duly following the relevant guidelines.

On scrutiny of the records and bank statements of VAC, the audit team noticed that no single work was executed in FY 2021-22 by VAC from the 15th FC scheme thereby the whole amount was kept underutilized. As per the Bank statement, an amount of Rs. 24,05,000/- was released to GPU as the 15th FC Grant for FY 2021-22 which totals Rs. 43,33,015/- including its opening balance and it was seen that the total balance fund amounting to Rs. 43,33,015/- remained underutilized as no civil work was undertaken in the whole year.

Dentam GPU under Dentam BAC

On scrutiny of records & bank statements, it was found that no civil works were undertaken from the 15th FC grant for FY 2021-22 which resulted in non-utilization of funds for the whole period and this hampered the developmental works to be undertaken in that GP. As per the bank statement, an amount of Rs. 25,49,000/- was released to GPU as the 15th FC Grant for FY 2021-22 which totals Rs. 45,72,180/- including its opening balance & Interest, and it was seen that the total balance fund amounting Rs. 45,72,180/- remained underutilized.

Hee GPU under Dentam BAC

It was found that no civil works were undertaken from the 15th FC grant for FY 2021-22 which resulted in the non-utilization of funds for the whole period and this hampered the developmental works to be undertaken in that GP. As per the bank statement, an amount of Rs. 19,67,030/- was released to GPU as the 15th FC Grant for FY 2021-22 which totals Rs. 34,16,012/- including its opening balance and it was seen that the total balance fund amounting to Rs. 34,16,012/- remained underutilized.

2.3. Delay in implementation of schemes as per the Annual Plan

This observation relates to all GPUs under BAC Soreng

i) Budang GPU ii) Malbasey GPU ii) Mangsari Mangerjung GPU iv) Soreng GPU v) Singling GPU Vi) Timburbong vii) Buriakhop GPU viii) Karthok Bojek GPU

On scrutiny of the records of Gram Panchayat by audit, it was found that Gram Panchayat was in the practice of preparing five-year plans and subsequently annual action plans for the coming year. The procedure of planning is mostly based on the wishes of the public through ward Sabha which is consolidated considering the priority of the work at the Gram Panchayat level in the Gram Sabha.

Scrutiny of records further revealed that the action plan for 2021-22 was prepared by the Gram Panchayat though it was not reflected in the annual budget failing the implementation of projects of the current plan year before the closing of the year. Most of the works listed in the action plan 2021-22 were found not completed within the plan period. Instead, the GP had been found focusing on implementing the pending works about the previous years' plan. In such patterns of work culture, the projects listed in the current plan remain for next year and so on. In this regard, the audit team observed that:

a. Due to delays in the implementation of schemes a huge balance under the Gram Panchayat Fund remains underutilized at the end of each financial year.

- b. It seems that the process of planning and budgeting is not emphasized at the Gram Panchayat level.
- c. Delaying projects every year means delaying facilities for the people residing within the gram panchayat.

2.4. Proper channel not followed for approval & sanction of work bill Aritar GPU under Rhenock BAC

The procedure for approval and sanction of any civil works and social sector bills involves the individual file which has to be routed through the BDO, Panchayat President to streamline the system as per the guidelines of Gram Panchayat Development Plan manual, which was not followed by the Gram Panchayat Unit as observed by the audit team.

The GPU is thus advised to follow the procedure for maintaining the hierarchy as prescribed in the Gram Panchayat Development Plan manual.

2.5. Non-deduction of GST from work bill Suldung Kamrang GPU under Mangalbarey BAC -

As per notification no. 103/IT & CT/11(36)/2005 dated 28.03.2015 recoveries at the prevailing rates must be deducted from the bill submitted by the supplier and the contractor and credited into the relevant heads of the Government account. However, on scrutiny of records, it was revealed that the gram panchayat released an amount of Rs. 2,24,398/- to the contractor for making payment for construction work of the community toilet at Lower Suldung & the payment was made without deducting GST, TDS from work bill vide cheque no. 103433 dtd. 13.09.2021, causing a loss of revenue to the state government.

NON PRODUCTION OF RECORDS

IRREGULARITIES IN PURCHASE PROCEDURE

4.1 Purchase of stationery without calling quotation & no records of stock entries-

Deythang GPU under Kaluk BAC

On scrutiny of records of Gram Panchayat, GPK had purchased 5 nos. of Godrej for office use without following highly irregular purchase procedure. The payments were made vide cheque no. 664238 dated 16.06.2021 for an amount of Rs. 82,600/-.

- Quotation not called by GPK to avail the benefit of competitive rates
- No comparative statement of quotation found
- Supply order not given to Supplier, items supplied without issuing supply order.
- Payment voucher not created by VAC. A cash memo does not suffice for proof of payment. A payment voucher must be created.

However, the following purchases were made by the Gram Panchayat ignoring the purchase procedures as laid in the rules.

3.	Paid to M/s Intellization for the supply of office stationeries	451261/11.03.2022	9000/-

The irregularities are summarized below

for sl. no. 1:

- Quotation was called but no comparative statement of the quotation was found in the file.
- Voucher not created against payment made.
- Purchase made without issuing supply order.

for sl. 2 & 3

- Payment voucher not created by GPK
- Entries of stationeries purchased were not done in the stock register, as a result, total receipts of stationery, its genuineness of utilization, etc were not discernible from records.

To ensure the quality and reasonable rates of any item, the steps mentioned below have to be taken into consideration:

- The firm/Supplier must be a reliable and registered firm for selling/supplying the items,
- Quotations of at least three such firms have to be obtained to ensure the reasonable rates,
- Comparative statement has to be prepared for approval of the lowest rate quoted.
- After approval of rates, a supply order is to be issued and on receipt of the bill, payment be made.

However, the purchase procedure as mentioned above had not been followed by the GPU for the procurement of items (hand wash, hand sanitizer, phenyl, etc) from M/S T.R. Enterprise medicine shop for an amount of Rs 46,100/-. The procurement of the items was done in the absence of a supply order.

According to Rule 127 of Sikkim Financial Rule & Notification no 03/fin (Actts) dated 28/09/2004, issued by the Finance Department. Government of Sikkim. When stores are purchased from the open market directly, the system of open competitive tender should be adopted. In case of purchases of stores costing more than 1,00,000/- purchase should be made either through STCS or open tenders (through advertising) giving wide publicity in the leading newspapers at least a month before the last date of submission of tenders. For other purchases costing not more than one Lakh, whether made directly by the department or through STCS, the sealed tenders/quotations through advertisement in local papers should be invited.

Scrutiny of vouchers and files revealed that the VAC had purchased various items from local suppliers without inviting open quotations from suppliers. This led to non- Compliance to standing financial cannons and is fraught with violation of fair competition to arrive at most economic rates.

As per rule 36 of the Sikkim Financial Rules-1979,” It is not sufficient that an officer’s accounts should be correct to his satisfaction. A disbursing officer has to satisfy not only himself, but also the audit, that a claim which has been accepted is valid, that a voucher is complete proof of the payment which it supports, and that an account is correct in all respects. All accounts must be kept and the details so fully recorded as to afford the requisite means for satisfying any inquiry that may be as to the economy or the bona fides of the transactions. It is further essential that the records of payment must be so clear and self-contained as to be producible as satisfactory and convincing evidence of facts, if required, in a court of law.” However, Gram Panchayat had incurred Rs. 89,999/- vide cheque no 514286 dated 17/02/2022 for the purchase of a sofa, office table, and book rack but on scrutiny of vouchers and note sheet it was noticed that the proposal for the purchase was placed during the Gram Panchayat Coordination Meeting held on 2nd of September 2021 for an estimated amount of Rs. 91,966/- but quotation were already received from three firms on the 18th and 19th of August 2021 which is almost a fortnight before the meeting.

NON UTILIZATION OF FUNDS IN TIME

5.1. Underutilization of funds under SFC and FFC

Lachen Dzumsa GPU under Chungthang BAC-

The Head of the office and other concerned staff of GPU must understand that the Government releases various grants to the local bodies for implementing developmental works for public benefits and upliftment of their day-to-day life.

In the GP, it was found that no civil works were undertaken from the 15th FC grant for FY 2021-22 which resulted in the non-utilization of funds for the whole period and this hampered the developmental works to be undertaken in that GP. As per the bank statement, an amount of Rs. 20,23,055/- was released to GPU as the 15th FC Grant for FY 2021-22 which totals Rs. 36,05,683/- including its opening balance and it was seen that the total balance fund amounting to Rs. 36,05,683/- remained underutilized.

Yuksom Dubdi under Yuksom BAC

It was found that no civil works were carried out from the 15th FC grant for FY 2021-22 which resulted in the non-utilization of funds and this hampered the developmental works of GPU. The whole grant remained underutilized for the whole financial year.

Non-utilization of funds provided by the Government promptly shows that the people of GPU were deprived of benefits intended for them. It also shows improper planning or inability to implement the development works in time.

The Gram Panchayat must strictly ensure the timely utilization of funds received for developmental works which could uplift & benefit the public of the GPU.

UNADJUSTED ADVANCE

6.1. Unadjusted advances

Nagi Karek GPU under Namthang BAC

On scrutiny of records audit noticed that Gram Panchayat had transferred Rs. 1,50,000/- vide cheque no 182824 dated 05/07/2021 from OSR account to child empowerment center in advance before the fund for the purpose was received from the implementing agency. Later on, a sum of Rs 1,00,000/-only was received from the implementing agency of the child empowerment center on 16/09/2021 which was in shortage of Rs 50,000/- than the amount already released. The records of recovery for Rs. 50,000/-from implementing agency of the child empowerment center were not shown to the audit.

6.2. advance register not maintained

Burfung Zarrong GPU under Ravangla BAC

As stated in the GPDP manual “Each item of advance shall be entered at once in the Register of advances indicating the name of the person to whom it was paid”, however still the advance register was not maintained by the GPU. The details of the advance payment drawn by the GPU are as below:

Date	Particulars	Cheque no.	Fund	Amount
04/03/2022	30% of work payment made against the repair of ICDS at Upper Barfung	078438	SFC	20000
11/03/2022	Payment made against 50% of work completed for protection of char kharka source	50702200092 (through PFMS)	15 th FC	35000

Arithang Chonrang GPU under Tashiding BAC

An advance register is an important register to record the entries of the advance payment and to indicate the actual position of outstanding advances and their adjustment. The advance drawn by the officers/contractor should be adjusted through detailed bills and vouchers within the time specified.

However, a test check of the cash book and other records of various works found that the amounts were drawn as advance but the relevant advance register was not maintained till the date of the audit. In absence of an advance register and detailed payment vouchers, and sub vouchers, it creates doubt about its adjustment/ timely adjustment of advances. Unadjusted advance is not considered & booked as actual expenditure as per the principle of accounting.

Some of the instances of advance payment made without advance register and payment vouchers for advance drawn are illustrated below:

Sl. No.	Name of work	Cheque No./Date	Amount
1.	Construction of Cafeteria at upper Chongrang (SFC/14FC)	026474/06.04.2021	75,000/-

However, the revenue could have been increased by levying taxes as prescribed under sections 39(1) and 40(1) (a) to (l) and also as per the recommendation of the 'Third State Finance Commission, but the GPU had not taken any initiative in this regard to increase its revenue till the financial year 2021-22.

8.2. Transfer of GIA and SFC fund to OSR account Okhrey GPU under Daramdin BAC

The State Government through the Rural Development Department was releasing funds as Grants-in-aid for meeting the salary and other components of the regular staff of the GPUs promptly. On scrutiny of records, it was found that Rs 5,61,039/- and Rs 96,788/- were transferred from GIA and SFC funds respectively to the Own Source of Revenue account. It was not understood why the fund provided for the salary of regular staff under GIA was transferred to OSR since sufficient funds were already in the OSR account.

B. AUDIT PARAS OF ZILLA PANCHAYAT

Gist of some of the selected audit objections of Zilla Panchayats for the financial year 2021-22 raised during the year 2022-23 are enumerated below:

NON ADHERENCE TO RULE

1.1. Non-preparation of Budget Estimate for the FY 2021-2022

South District Zilla Panchayat

It is necessary as may be prescribed to prepare each year a budget of its estimated receipts and expenditures for the next financial year and disbursements of the following year and shall submit the budget to the State Government for approval through the Zilla Panchayat of the District concerned.

Planning of activities /projects based on budgeting is important to bring the activities into proper procedure based on resources but the Zilla Panchayat was running without the preparation of a budget for the financial year 2021-22. It was observed all works/schemes were executed based on the annual plan.

IRREGULARITIES IN THE EXECUTION OF WORKS

2.1. MR Sheet/ Acknowledgment was not found

As per rule 37 (2) of Sikkim financial rules, 1979, every voucher must bear, or name attached to it an acknowledgment of the payment signed by the person by whom, or on whose behalf the claim is put forward. The acknowledgment should be taken at the time of payment.

As per rule, 161 of Sikkim Public Work Code 2009 register of muster roll forms are very important records and proper custody and accounting of forms are necessary to prevent any misuse of the forms.

North Zilla Panchayat

On scrutiny of records on MR wage payment, it was found that no acknowledgment/ payee's signature was obtained in many works executed by NDZP at the time of the release of payment. Acknowledgment for the following payments was not obtained:

Sl. No.	Name of work	Cheque no/Date	Sanctioned Amount	Remarks
1.	Const. of Crematorium shed at Khedum (15th FC)	Through PFMS	63,570/-	MR paid to AE Rs.34,972/- for supply bill
2.	Repair of water supply at Khedum (15th FC)		79,960/-	MR paid to AE
3.	Repair of crematorium shed at Pakshep (15th FC)		95,400/-	MR paid to AE
4.	Repair of water supply at Chadey (5 th SFC)	015505/18.11.2021	23,368/-	MR paid to AE

East District Zilla Panchayat

Scrutiny of records by audit revealed that most of the civil works were executed departmentally and it was observed the MR Sheet for the below payment made was missing on records.

Sl. No.	Particulars	Amount
1.	Construction of protective wall at chamakha khola near Tumin Namrang	79600
2.	Construction of water tank at Rikyap Machong TC	58000
3.	RWSS at Damlakha JHS Pacheykhani	66900
4.	Construction of Plum wall under Gnathang Machong TC	95900
5.	Construction of water tank at 3 RD Mile under Kyongsla TC	65200
Total		3,65,600

IRREGULARITIES IN PURCHASE PROCEDURE

3.1 Procurement of items without following purchase procedure

South District Zilla Panchayat

To ensure the quality and reasonable rates of any item to be procured, the steps mentioned below have to be taken into consideration:

- The firm/Supplier must be a reliable and registered firm for selling/supplying the items.
- Quotations of at least three such firms have to be obtained to ensure reasonable rates.
- Comparative statement has to be prepared for approval of the lowest rate quoted.
- After approval of rates, a supply order is to be issued and on receipt of the bill, payment is made.

The Panchayat had attempted to follow the above purchase procedure as per financial rules, however, the following anomalies were observed by the audit team while procuring items made by the Zilla Panchayat:-

An amount of Rs. 3,87,740/- was incurred for the distribution of sound system and utensils under Rongbul ZTC as stated in the cash book but the payment was made to the Zilla Panchayat Member, Rongbul ZTC but not to empanelled supplier or firm.

M/S Uma Shankar Jaiswal, Namchi was the empanelled supplier of construction materials & other items in reference no. 572/SDZP/2020 dated 10/08/2020 for the period 2020-21 & 2021 & 2021-22. The tender was also floated by publishing the same in Sikkim Herald dated 10/07/2020 but quotations submitted by different firms were not attached in the file nor were comparative statements shown to the audit. This shows that necessary approval obtained without receiving rates from all the bidders fails to shed light on the authenticity of the selection of the lowest quoted rate.

South District Zilla Panchayat

During scrutiny of documents, the audit team observed that there were many cases of reimbursement claims exceeding Rs. 1 lakh which generally consisted of purchases relating to “essential commodities” for Covid-19. Some of the reimbursement claims are given below:

SI No	Particulars Of Reimbursement	Date	Amount
1	Reimbursement of COVID-19 health kit and other material under Tinkitam GPU	30/06/21	1,00,000

Sl No	Particulars Of Reimbursement	Date	Amount

3	Reimbursement against distribution of COVID 19 essential kits	07/07/2021	2,99,183
4	Reimbursement against distribution of COVID 19 essential kits under BermoikNaplung ZTC	07/07/2021	1,00,000
5	Reimbursement against distribution of COVID 19 essential kits under MikholaBoomtar ZTC	07/08/2021	1,00,000
	Total		11,48,839

NON- PRODUCTION OF RECORDS

4.1 East District Zilla Panchayat

On scrutiny by audit, it was revealed that Zilla Panchayat had made payments as 1st RA and final bill for the civil works as detailed below:-

Particulars	Date	Amount
By payment on a/c of 1 ST RA bill of Aug of RWSS from Solep Chongrang to Ban Jhakri Falls via Middle Luing to Lower Luing	11/10/2021	42,06,334/-
By payment to M/S Radang ward no 2 Labour co operation on a/c of 1 st and final bill for Construction of RWSS from Manbir Source to Tumblong and Radang in East Sikkim	29/03/2022	13,96,743/-

Audit made requisition for providing the files and records of above payments but it was informed the files were located in their respective BAC.

LOSS OF REVENUE

5.1 Non-deduction of vehicle user charges as per Govt. notification

West District Zilla Panchayat

As per the notification of Government of Sikkim vide no. GOS/FIN/ADM/08 dated 06.12.2021, the State Government has revised the existing vehicle user charges levied on the attachment of Government vehicles based on the procurement cost of the vehicle.

Sl. No.	Procurement Cost	User charges per month per vehicle
1.	Upto Rs. 10 lakhs	Rs. 1000/-
2.	Above Rs. 10 lakhs & up to Rs.15 lakh	Rs. 1500/-
3.	Above Rs. 15 lakhs	Rs. 2000/-

However, WDZP possesses two Government vehicles 'Scorpio' bearing registration no. SK.02.G.0033 & SK.02.G0037 are attached to Adhyaksha & Up Adhyaksha and have a procurement cost of Rs. 13.05 lakh & Rs. 14.18 lakh respectively. But it was noticed that WDZP had been deducting only Rs. 1000/ p.m as vehicle user charge from their pay & allowances whereas the amount to be deducted had to be Rs. 1500 per vehicle as the procurement cost of both the vehicles is more than 10 lakhs.

Therefore, the office may immediately deduct the outstanding vehicle charge from the pay & allowance of Adhyaksha & Upa Adhyaksha for the period starting from January 2021 to February 2023 which amounts to Rs. 7500 per vehicle and the same may be credited to the Revenue receipt head of Government of Sikkim. And the office may start a deduction of Rs. 1500/- as vehicle user charge from the next month and ensure to follow the above revised charges in the future.

KEY STAKEHOLDERS

STAGES OF AUDIT ONLINE

AUDIT ONLINE & SIKKIM LOCAL FUND AUDIT

The Audit Online application was rolled out by M/o Panchayati Raj on 15th April 2020, to facilitate the availability of the audited accounts of the Panchayats.

As per Para 5 (A) of the Operational Guidelines of XV Finance Commission dated 14th July 2021; both the Tied and Untied grants shall be released subject to fulfillment of mandatory conditions, amongst which, one of the conditions is that Rural Local Bodies have to make available online both provisional accounts of the previous year and audited accounts of the year before previous.

Operational Guidelines – XV Finance Commission

Mandatory conditions for release of grants to the States (Para 5 (A), Para 5 (B) of Operational Guidelines)

- 01 For release of grants in 2022-23, 25% provisional account of RLBs for 2021-22 and 25% audited accounts for 2020-21 should be made available online
- 02 To become eligible for XV FC grants from 2023-24 onwards, all RLBs to have both provisional accounts of the previous year (2022-23) and the audited accounts of the year before previous (2021-22) available online in public domain in addition to MoPR eGramSwaraj and AuditOnline
- 03 Uploading of GPDP / BPDP / DPDP in eGramSwaraj. Thematic Plans for 2023-24 to commence.
- 04 Mandatory Online payments through eGramSwaraj – PFMS Interface
- 05 Duly constituted Rural Local Bodies, minimum 50% utilization of grants released in previous year
- 06 To become eligible for XV FC grants from 2024-25 onwards, all States, which have not done so, to constitute State Finance Commissions, act upon their recommendations and lay the explanatory memorandum as to the action taken thereon before the State legislature on or before March 2024

Accordingly, States have been asked to carry out the audit of a minimum mandatory 25% Gram Panchayat accounts for the year 2020-21. The XV FC report mandates that with effect from 2023-24, all accounts are to be audited for the Year minus two (for the year 2023-24, the audit will be carried out for 2021-22). The XV FC also mandates that they be placed in the public domain. Furthermore, it was also averred that failure of complying with the XV FC mandatory condition, would hamper the release of installments. Hence, it is of utmost importance that the States ensure that the audit activities in AuditOnline are expedited for completing the target of auditing 100% PRIs for the audit period 2021-22 by 30th June 2023.

Since the roll-out of the application, Sikkim Local Fund Audit has shown active interest in adoption and the implementation of AuditOnline. At present, 100% of audit reports of PRIs have been generated for the period 2020-21 which leads us toward the attainment of the critical reform agenda as laid down by the XV Finance Commission.

- For the FY 2019-20, Sikkim has covered 26% (required coverage was set at 20%).
- For the FY 2020-21, 100% audit is achieved, becoming one of the only seven States to achieve 100% audit and the only state in the North East to achieve 100% audit (National Average is 76% only).
- For the FY 2021-22, 100% audit has been completed, and the process of uploading reports to the Audit Online platform will be done by 31st March 2023.

In the existing setup of the AuditOnline application, access to audited reports is in the form of Key Performance Indicators (KPIs). The rationale for having such a module is to ensure judicious use of the XV FC funds and to instill accountability. KPI statistics updated in AuditOnline.gov.in are as follows:

2.1 Irregularities on execution and procedure

Rangpo Nagar Panchayat

It was noticed during the audit that in some cases the Rules/Government instructions under Sikkim Public Works Code and Manual were not followed either due to negligence or ignorance. Some instances are noted below:

Sl No.	Particulars	Cheque No. & Date	Sanction Amount (Rs)
1.	Payment to Milan Pradhan for construction of box drains at L/IBM	000007/9.10.2020	3,25,162/-
2.	Payment to Hom Nath Sapkota for Construction of drainage system at IBM	000008/22.10.2020	1,67,072/-
	Payment to Neelam Pradhan for Construction of drainage system at IBM	000873/13.01.2021	1,65,760/-
3.	Drainage cleaning work of Rangpo Mandi Bazar, paid to Mr. Laxuman Rai	279489/22.06.2020 279492/30.06.2020	20,000/- 42,500/-

Some of the discrepancies found for the above works which RNP needed to consider while executing any works are:

As per Rule 161 of Sikkim Public code, it is necessary to issue the MR form for Departmental works. Also numbering in each MR form is important to prevent any misuse of the form but RNP was not in the practice of issuing MR forms while executing such works.

In any departmental work, the progress of work needs to be recorded in MB as well as in the MR form. But RNP has not adopted such a system.

For Sl. No. 1 and 2 above, the work was awarded without conducting a tender process. There was no GST and TDS shown in the estimate. M/R acknowledgment was not done, a Transit permit was not found, and Technical sanction was also not done.

For Sl. No. 3 above, drainage cleaning work was done on demand by residents. On scrutiny, it was found that there was no resolution passed by the Board By the Board of councilors for the said work.

Naya Bazaar Jorethang Nagar Panchayat

The Naya Bazaar Jorethang Nagar Panchayat had executed the work named “Construction of RCC behind car parking during 2020-21 for Rs. 6,66,848/-. The work was executed departmentally w.e.f 08/02/2021 and completed by 10/03/2021. However, the following discrepancies were noticed by an audit on verifying the process of execution and payment of bills.

The approved work with the estimated cost is to be put on tender processes widely floating NIT in local newspapers, and notice board of the Nagar Panchayat for obtaining the lowest bidder. In such tender processes, generally, the lowest bidder is accepted except in any unavoidable circumstances by the tender committee already constituted for the execution of the work, however, for the construction of RCC the work was executed departmentally without mentioning any reasons why it was taken departmentally instead of complying with the tender procedure as per the rules.

The MR wages for the work period 08/02/2021 to 10/03/2021 amounting to Rs 2,66,045/- was drawn in the favor of the Municipal Executive Officer (MEO) instead of crediting the amount in individual accounts of the workers.

After the preparation of the estimate, it is mandatory to obtain the technical sanction of the estimate before execution of work from the competent authority but the work was executed without obtaining technical sanction which is a breach is a breach of existing rules.

2.2 MR Sheet/ Acknowledgment was not found Mangan Nagar Panchayat -

As per rule 37 (2) of Sikkim financial rules, 1979, every voucher must bear, or name attached to it an acknowledgment of the payment signed by the person by whom, or on whose behalf the claim is put forward. The acknowledgment should be taken at the time of payment.

On the contrary, it was found on scrutiny of records on MR wage payment that no acknowledgment of MR/ payee's signature was obtained at the time of the release of payment for the following works executed by Mangan Nagar Panchayat. Acknowledgment for the following payments was not obtained:

Sl. No.	Name of work	Cheque no/Date	Sanctioned Amount
1.	Painting in Mangan Nagar Panchayat Building	88705/13.08.2021	4,64,868/-
2.	Repair of water line of Mangan Nagar Panchayat	88707/16.08.2021	1,49,093/-
3.	Repair of the toilet at Mangan Nagar Panchayat Building	88709/18.08.2021	4,58,588/-

3.1 Non-collection of monthly rent from Hat shed Traders Jorethang Nagar Panchayat

Regarding the memo no 427 dated 27/12/2010 the Deed of Agreement was signed with the Haat Traders Association wherein the ground floor charged rate was revised and fixed at Rs 10/- per sqft as per the provision in the agreement.

Scrutiny by Audit revealed that the monthly collections were made at the rate of Rs 5/- per sqft instead of the revised rate of Rs. 10/- per sqft which is against the Deed of Agreement signed and acknowledged by both parties. As per records of Nagar Panchayat, the revenue of Rs 95,890/- (even @ Rs.5/- per sqft) was not collected by the NJNP up to the period covered by the audit. The details are given in the table below:

MISCELLANEOUS

4.1 Transfer of funds from 14th F.C to SFC account & Revenue account Singtam Nagar Panchayat

Fund transfer from 14th FC Account to SFC account was seen very frequently in SNP to make salary expenditure. Further, the total fund transfer made by SNP arrives at Rs. 23,00,000/- (Rs. Twenty-three lakhs) and has not been refunded till the date of audit which shows misutilisation of 14th F.C grant & non-adherence to the scheme guidelines.

Details of the fund transfer are as follows:-

Rs. 5, 00,000/- vide ch. No. 951535 dt. 30.03.2020 (SFC Account)

Rs. 15, 00,000/- vide ch. No. 951538 dt. 27.01.2021 (SFC Account)

Rs. 3, 00,000/- vide ch. No. 951549 dt. 25.03.2021 (SFC Account)

Total fund transfer arrives to Rs. 23,00,000/- (Rs. Twenty-three lakhs) which has not been refunded till the date of audit which results in misutilisation of 14th F.C grant, non-fulfillment of the scheme guidelines.

4.2 Fixed Deposit from savings of 15th FC fund Jorethang Nagar Panchayat

On scrutiny of records it was observed the Nagar Panchayat decided to open a fixed deposit account amounting to Rs 30, 43,745 from the savings account of 15th FC grant for one year.

The audit team has requested to clarify as to why the fund received for the basic development could not be utilized during the year and kept as a fixed deposit. Also, the files and records of fixed deposit were not furnished to the audit

4.3 Budget estimate not prepared Mangan Nagar Panchayat

As per the Sikkim Municipalities Act, 2007, the municipality shall prepare in each year a budget estimate for the ensuing year separately for revenue account and capital account, and such budget estimate shall be an estimate of the income and expenditure under each such account. The Chief Councillor shall present the budget estimate to the Municipality on the thirty-first day of August in each year and the budget estimate received by the State Government shall be returned to the Municipality before the thirty-first day of March of the year immediately preceding the year to which the budget estimate relates with or without modifications of the provisions.

It is also mentioned in the Act that no payment of any sum out of the Municipal fund shall be made unless such expenditure is covered by a current budget grant and a sufficient balance of such budget grant is available (except in some special cases). But on scrutiny of records, it was seen that Mangan Nagar Panchayat did not prepare Budget Estimates for FY 2021-22 but they incurred municipal funds for the whole financial year, without taking approval for the budget from the Government.

B. AUDIT PARAS OF GANGTOK MUNICIPAL CORPORATION

Some of the selected audit objections of Gangtok Municipal Corporation for the financial year 2019-20 & 2020-21 are enumerated below.

NON ADHERENCE TO RULES

1.1 Planning of developmental activities in GMC

The process of preparation of the Annual Plan based on area sabha in each ward and further at Municipality Level sabha for implementation of projects/schemes according to the provision of funds, public aspirations, and in public interests was not seen in practice at GMC. The scheme's funds such as 14thFC, 15thFC, BSUP, etc were utilized on the recommendation/suggestions of Hon'ble councilors and other funds were utilized based on necessity but the proper planning based on public interest and necessities were not seen.

The Special Assistant Grant for Rs 2 crore received during the year 2016 remained unspent and parked till 2019-20 and 14th FC grants were also found fixed deposited in the banks for interest gain instead of utilizing those funds for the intended purpose to provide public facilities. This seems to lack planning and also indicates the inability to utilize the provided fund for the intended purposes promptly by the corporation.

1.2 3% Printing Commission not paid Rs 4483/-

On the test check of records, it was found by the audit team that Gangtok Municipal Corporation had carried out various printing works through private parties especially from M/S Beracah Printing & stationery without obtaining NOC from Printing & Stationery Department, Government of Sikkim. Also, the prescribed Commission of Rs.4,483/- was not deducted from the bills of the firms to remit the amount in the revenue account of the Printing & Stationery Department which resulted in a loss of revenue to the State Government. Also, payments were made without attaching original bills. Supply orders were not signed by the competent authority and stock entry was also not found. The details are given below:-

SR#	DETAILS	PAID TO	AMOUNT	CHQ/NO	3% PRT. COMM.
1	Payment on a/c Printing, Mounting Flex, vinyl with Swachh Survekshan 2020	Demazong Advertisers	124337	603251, 15/11/19	3730

4	Payment on a/c of procurement of printed vouchers for accounts section	Boney Binding Works	10324	001227 27/01/21	309

SR#	DETAILS	PAID TO	AMOUNT	CHQ/NO	3% PRT. COMM.
5	Payment on supply of challan book, flex and digital printing	Beracah Printing & Stationery	3599	225446 14/02/20	105
TOTAL					4483

1.3 Fixed Deposit from savings of 14th FC fund

On scrutiny of records it was observed that GMC on 03/02/2021 decided to open a fixed deposit account amounting to Rs 5 crore from the saving account of 14th FC grant of which 3 crore was deposited for six months and 2 crores were deposited for four months.

The Gangtok Municipal Corporation is requested to clarify why the fund for basic development could not be utilized during the year and kept as fixed for six months and four months which caused delays in providing the needed basic facilities to the general people.

1.4 Counsel on offline Revenue Collection under GMC

Government Revenue is the money received by the government from taxes and non-taxes sources to enable it to undertake government expenditures. Government revenues are important components of the Government budget and important tools of the Government fiscal policy.

On scrutiny by the audit, it was found that the GMC had offline cash revenue collection of Rs 27,47,073/- for April 2019 as per the records. Therefore, it is observed that huge amounts of revenue are still collected through offline modes of transaction. Hence, to ensure proper accountability and authentic practice it would be better instead of cash collecting, it would be better if cash was deposited in the form of a bank receipt which is fraught with the risk of misappropriation.

CONCLUSION

The conclusion drawn based on the audit conducted on the accounts of the Local Bodies are as under:

The Sikkim Local Fund Audit Act 2012 mandates the Directorate of Local Fund Audit (DLFA) to conduct an audit on the accounts of the local bodies in conformity with the recommendations of the Central Finance Commission, Government of India. The audit of the accounts of the local bodies in the state of Sikkim started in the financial year 2012–2013. The Directorate of Local Fund Audit (DLFA) has been steadily expanding the audit coverage of local bodies each year, and in the fiscal year 2022–2023, the DLFA audited the accounts of 194 (out of 196) units of PRIs and ULBs.

During the audit, various irregularities and discrepancies were noticed in most of the local bodies, and objections were raised. Common observations were noticed in the functioning of local bodies such as non-adherence to rules, notifications, and circulars of the State and Central Government. In most of the local bodies, expenditures were incurred without the preparation of vouchers as required under the provisions of the standing Acts/Rules. The local bodies have neglected to remit the realized taxes and revenues like GST, TDS, and forest royalties into the government account. Adoption of rates for store procurement without a proper survey, analysis, and investigation of current market rates which resulted in excess payments were discovered in the local bodies during the audit. Most of the local bodies did not maintain basic records such as a cash book, receipt, and payment register, assets and liabilities register, advance register, contingent audit register or ledger, bill register, or salary audit register. The non-levy of taxes under Sections 39[1] and 40[1] of the Sikkim Panchayat Act, 1993, was also noticed.

In response to the audit observations, the local bodies have taken the initiative to note the suggestions, and there has been a marked improvement in bookkeeping and accounting. However, the nodal departments have not provided adequate training to the local body functionaries on bookkeeping, accounting, planning, audit, and taxation. Therefore, the nodal departments are suggested to carry out their internal checking of their local bodies and provide required training and resources for improvement in their proper functioning.

The AuditOnline application was rolled out by M/o Panchayati Raj on 15th April 2020, by the Secretary, of the Ministry of Panchayat Raj, through a video conference (VC), to facilitate the availability of the audited accounts of the Panchayats in the public domain. The states were asked to initiate an online audit for 20% of GPUs for the accounts of the Central FC grant for the year 2019–20. As per Para 5 (A) of the Operational Guidelines of XV Finance Commission dated 14th July 2021; both the Tied and Untied grants shall be released subject to fulfillment of mandatory conditions, amongst which, one of the conditions is that Rural Local Bodies have to make available online both provisional accounts of the previous year and audited accounts of the year before previous. On the recommendation of the 15th FC, the Ministry of Panchayati Raj on June 22, 2021, directed all the states to conduct a 100 percent audit of the accounts of PRIs for the expenditures incurred under the XV FC grants. The XV FC report mandates that with effect from 2023-24, all accounts are to be audited for the Year minus two (for the year 2023-24, the audit will be carried out for 2021-22). The DLFA has completed the given targets of 20%, 100%, and 100%

audits of the accounts of PRIs for the FYs 2019–20, 2020–21, and 2021–22, respectively.

The DLFA officials and staff attended the VC of the State Local Fund Audit of the North Eastern Region (NER) on March 11, 2022, which was conducted by the office of the Comptroller and Auditor General of India in Delhi. The effort and progress made on the audit online with limited manpower by the auditors of Local Fund Audit Sikkim were appreciated and applauded in the VC held. On March 3, 2023, DLFA officials along with officers from Urban Development Department attended a meeting with officers from the office of PrAG, Sikkim chaired by the Principal Accountant General, Sikkim. Issues related to Technical Guidance and Supervision/ Support (TGS) were discussed, and two trainings and assistance required to equip officers and staff of DLFA with proper auditing standards and procedures are to be provided.

The audit coverage of local bodies by DLFA in the state has been gradually increasing, year by year, despite the shortage of manpower with limited resources and logistics, like touring vehicles, in the Directorate.

During the audit, DLFA made all attempts to inform the responsible authorities of the local bodies of all the relevant standing Government laws and regulations, as well as the Financial Rules framed for the proper operation of the local bodies. The proper bookkeeping of all expenditures and revenues was explained to the local bodies as well. The XV FC's mandates the deployment of the Audit Online platform for audit processes such as audit reply and response, have been made clear to the PRIs. The concerned local body officials have promised the audit teams that any gaps will be investigated and that all required steps will be taken to guarantee that the audit's recommendations are implemented.
