PREFACE

The Directorate of Local Fund Audit (DLFA), a division under the Finance Department, Government of Sikkim, was established in compliance with the recommendations of the Eleventh Finance Commission by the enactment of the Local Fund Audit Act 2012. The DLFA is empowered to conduct audits on the accounts of local bodies, viz., the Panchayati Raj Institutions (incorporated under the Sikkim Panchayat Act 1993 as amended) and the Municipalities (incorporated under the Municipalities Act 2007).

The DLFA is responsible for bringing out the Annual Consolidated Audit Report on the accounts of Panchayati Raj Institutions and Municipalities for placement before the State Legislative Assembly by the government.

- As per Section 19 of the Sikkim Local Fund Audit Act, 2012, *Laying of audit Report: The Director shall send to the Government annually a consolidated report of the accounts audited by him containing such particulars which he intends to bring to their notice and the Government shall within three months after the receipts of the same; cause it to be laid before the Legislative Assembly.*
- As per Rule no. 19 of the Sikkim Local Fund Audit Rules, 2014. *Laying of Audit Report: The Director shall, not later than 31st March every year, send to the Government a consolidated report of the accounts, audited by him during the previous financial year, containing such particulars which he intends to bring to the notice of the Government.*

The DLFA audited the accounts of 205 Panchayati Raj Institutions i.e., 199 GPUs & 6 Zilla Panchayats and 3 Urban Local Bodies for the financial year 2022-23 during the year 2023-24. The result of the audit is compiled in the Annual Consolidated Audit Report (ACAR) for the financial year 2022-23, and the same is being placed in the Sikkim Legislative Assembly.

The Annual Consolidated Audit Report, covering the period of FY 2022-23, is compiled into two parts.

- *Part I deals with a few selected audit observations concerning the Panchayati Raj Institutions, i.e., Gram Panchayats and Zilla Panchayats, and*
- *Part II deals with a few selected audit observations concerning the Municipalities, i.e., the Nagar Panchayat, Municipal Council, and Municipal Corporation.*

During the audit, various irregularities were noticed and are broadly segregated under different categories as mentioned below.

- Non-adherence/violation of rules
- Irregularities in the execution of works
- Irregularities in purchase procedure
- Non-production of records
- Non-remittance of deductions
- Unadjusted Advances
- Non-utilisation of funds
- Excess Payments
- Excess Expenditure
- Wasteful Expenditure
- Miscellaneous

The category-wise and institution-wise numbers of audit objections raised during the year are shown in the Statements appended herewith in respective institutional reports.

On receipt of replies to the defects pointed out in the earlier reports which were duly supported by relevant evidence, records & documents, the audit objections were settled wherever the replies were found to be satisfactory. The Audit Reports contain the details of audit objections pending settlement at the close of the audit.

The gist of selected audit objections of Panchayati Raj Institutions and Municipalities which were raised during the year 2023-24 are included in the respective parts of the report.

The audit paras selected for inclusion in the Annual Consolidated Audit Report 2022-23 present a glimpse of financial administration being practised in the Local bodies.

INSTITUTIONS AUDITED

During the year 2023-24, the following Local Bodies were audited by the Local Fund Audit:

Sl. No	Name of the Institution	Total Units	Total Units covered	%
1.	Gram Panchayat Unit	199	199	100.00

SCOPE OF AUDIT

The Directorate of Local Fund Audit has been statutorily entrusted with the authority to verify the following aspects during post audit of the Panchayati Raj Institutions and Municipalities viz., Gram Panchayats, Zilla Panchayat, Municipal Council and Municipal Corporation.

- Whether the taxes, fees, etc., collected by the Panchayati Raj Institutions/ Municipalities were properly accounted for with full details in the books of accounts of the body concerned.
- Whether adequate care is taken up periodically to check the funds with the Treasury or Bank.
- Whether the expenditure incurred was provided for in the Budget of the Panchayati Raj Institutions/ Municipalities concerned and duly sanctioned by the competent authority under the Act / Rules or any Executive Instructions by the Government.
- Whether the funds were utilised only for the permitted purposes prescribed under the respective Panchayat/ Municipalities Act / Rules.
- Whether the procedure prescribed by the Government in incurring the expenditure/ payments made is properly followed and accounted for with due classification in the books of accounts.
- Whether the required vouchers for the expenditure incurred were maintained.
- Whether grants received from different sources were properly accounted for and utilised for the purposes for which they were meant.
- Whether the guidelines & structures in the finance commission recommendation followed in the utilisation of funds provided to them.

COMMON OBSERVATIONS

Some anomalies are frequently observed in almost all PRIs / Municipalities which are recorded below. These basic anomalies observed by the audit team are to be reckoned as key for recording books of accounts, but in many cases the Institutions have neglected to comply with the required standing norms and instructions, resulting in a recurrence of such observations in every audit period. Despite being noticed by Audit and informed to the concerned authorities of institutions time and again, the defects are still prevailing.

The Rural Development Department and Urban Development Department authorities are therefore required to intervene & facilitate proper training and awareness to the functionaries in the PRIs. Various categories of common observations noticed by the audit are as under

- Improper maintenance of books of accounts.
- Improper maintenance of Cash Book
- Non-preparation of payment voucher
- Non-preparation/Late preparation of annual and supplementary budgets or non-compliance of the budget while incurring the expenditure.
- Monthly Reconciliation with the Bank was not done.
- Misutilization of Discretionary Grants.
- Irregular payment of Honorarium.
- Non- realisation of royalty, GST, etc. at the source.
- Improper maintenance of Vouchers.
- Non-deduction of stamp charge above the expenditure of Rs. 5000/-
- Non-maintenance of advance register.
- Cheque drawn in favour of the President, Secretary, and other Staff instead of the actual payee.
- Delay in the deposit of receipts.

PART I - PANCHAYATI RAJ INSTITUTIONS

A. AUDIT PARAS OF GRAM PANCHAYATS

Some of the Audit Observations of Gram Panchayat units raised for the financial year 2022-23 audited during the year 2023-24 are enumerated below:-

1. NON-ADHERENCE TO RULES

1.1 NIT not done for civil works - Rongong Tumlong GPU, Kabi BAC

As per GPDP Manual, all works proposed for execution by contract will be notified in a form of invitation of tender through Notice Inviting Tenders (NIT). The Gram Panchayat in consultation with Assistant Engineer, BAC, shall issue the NIT. The Village Administrative Assistant (VAA) shall be responsible for giving publicity and to furnish information on tenders. The NIT shall be displayed prominently in the BAC, GPK as well as the public places of the wards.

In order to make the tender process more competitive and to properly evaluate the rates offered by the contractors, it is necessary that there must be at least three participants / tenderers in each tender. Tenders received in less than three valid tenders shall be summarily rejected and fresh tender shall be invited.

However, the GPK did not seem to follow the rule as the following works were undertaken in GPU in FY 2022-23 without floating tenders. The work was awarded directly to Contractors; therefore, it showed unfair competition and favouritism.

Sl. No.	Particulars	Cheque no./ date	Amount
1.	Expd. on maintenance of community compost pit at upper Phodong	261224/24.06.2022	1,02,149/-
2.	Expd. on const. of protective wall at Dzongkha	261243/26.08.2022	99,697/-
3.	Expd. on const. of protective wall near Phodong (15 th FC)	PFMS/	1,34,986/-
4.	Expd. on const. of Protective wall at Khoyesa at Upper Rongong	PFMS	1,04,210/-

1.2 Technical sanction not done - Kyongnosla GPU, Kabi BAC

As per rule no work shall be executed without Technical sanction of detailed work estimate. The estimated cost put to tender in the NIT is worked out based on the rates considered in the Technical Sanction. But it was found during scrutiny that technical sanction

of detailed work estimates was not done for the work “extension of Kyongnosla Jr. High School” before execution of the work. And also Measurement Book (MB) was also not shown on scrutiny. The work was completed and accordingly the advance payment amounting to Rs. 3,00,000/- was made from SFC scheme on 29.04.2022 vide cheque no. 425759.

Therefore, non-obtainment of Technical Sanction prior to commencement of work is against the rules and responsibility.

1.3 GST not deducted - Ringhim, Nampitam GPU, Mangan BAC

As per rule, the head of every office shall be responsible to ensure that all revenue, receipts or other sums due to the Government are regularly and promptly assessed, realised and credited to the Government account under the relevant head of account.

The responsibility of depositing the amount with the government on/or before the due date lies with the deductor. However it was revealed that the payments have been made to suppliers/ contractors without deducting GST from the work bill which shows its non-compliance to the rule. This has also resulted in a loss of revenue to the Government. Necessary action may be initiated as early as possible.

Details are as follows:

Sl. No.	Name of work	Sanction Amount
1.	Repair of Road near RRC (15 th FC)	9,49,500/-
2.	RCC Bridge over Passangkhol (SFC)	2,62,428/-

1.4 Irregularities on installation of CCTV Camera - Bernayak Tokal, Temi BAC

As per Sikkim Government Gazette no. 309 dated 25.10.2021 relating to Department of Information Technology (DIT), Government of Sikkim, it is stated that “proposals for procurement of computers and peripherals by Government Department will be vetted by the DIT with an aim to get value for the money and to standardise the equipment”.

But on contrary to the above rule, it was seen that GPK incurred Rs. 1,79,997/- for installation of CCTV at VAC (vide cheque no. 000445 dated 30.01.2023) without file being routed to IT Department for rate verification which is against the rule.

1.5 Non preparation of voucher - Yangang GPU, Yangang BAC

As per rule 37 of Sikkim Financial Rules, 1979, a Government servant entrusted with the payment of money shall obtain for every payment he makes, a voucher setting forth full and clear particulars of the claim and all information necessary for its proper classification and identification in the accounts. However, it was found that the GPK released the payment

for various supply bills, awareness programmes and others, from different schemes without creating vouchers in support. Some of the instances are in the following bills.

Sl. No.	Particulars	Cheque no/date	Amount
1.	Youth motivation & awareness programme (SFC)	017433/20.12.2021(Adv) 454806/02.05.2022 (Adv)	1,00,000/- 50,000/-
2.	Supply of computer & Inverter	115103/19.07.2022 115102/19.07.2022	31,300/- 25,300/-

Audit has advised to ensure to create vouchers in every future transaction before release of payment.

1.6 Technical sanction not done - Kabi Rongpa GPU, Kabi BAC

As per rule no work shall be executed without Technical sanction of detailed work estimate. The estimated cost put to tender in the NIT is worked out based on the rates considered in the Technical Sanction. However, it was found during scrutiny that technical sanction of detailed work estimates was not done for the RWSS work (from Tawang to VAC & BAC) before execution of the work. The work was completed and accordingly the payment was made vide cheque no. 609961 dated 06.12.2022 amounting to Rs. 2,22,099/-.

Therefore, non-obtainment of Technical Sanction prior to commencement of work is against the rules and responsibility.

1.7 Transparency in Travelling Expenses - Soreng GPU, Soreng BAC

It was observed that the travelling allowances were drawn without proper tour program & supporting vouchers. Therefore GPU should ensure to record and keep the complete & accurate information of travelling expenses made by the individual employee. one of the travelling Expenses made by the employee are as follows.

- TA/DA amounting to Rs. 42,000/- claimed on 02/05/2022 vide cheque no. 138491 had some discrepancies on it.

1.8 Inappropriate handling of files and documents - Chakung GPU, Chumbung BAC

File is a collection of data which acts as a proof of all the approval and sanction made while any activity is being carried out and filing is the central record keeping system of every Gram Panchayat unit and it should be done appropriate in order to ensure that the documents are kept safe and also act a reference or proof when it is required.

However, scrutiny of the file records revealed that the file index was not maintained and file number was also not entered in almost all the files associated with the GPU.

1.9 Excess expenditure/Non adherence to rules of purchase under office expenses/–Rs 1,33,099/- Ribdi Bhareng GPU, Daramdin BAC

The State Government on the recommendation of the Finance Commission releases Grants to the GPU for basic amenities and strengthening of services such as water supply, sanitation, sewerage, community assets etc. The Government while allotting the fund to the GPU prescribes that a maximum amount can be utilised towards administrative and technical support.

However, scrutiny of records revealed that excess expenditure was incurred for office expenses through the accounts of the State Finance Commission (SFC) which was against the guidelines. The details of the expenditure are shown as below:-

	Source of fund	Cheque No/Date	Amount
Office Expenses	SFC	074160, 06/06/2022	79,955
		074162, 10/06/2022	9,500
		074165, 24/06/2022	20,000
		078462, 09/01/2023	42,500
		078463, 19/01/2023	11,000
	TOTAL		1,62,955

The Gram Panchayat had attempted to follow the above purchase procedure as per financial rules, however the following anomalies were observed by the audit team while purchase made for the detailed above office expenses:-

- Quotation for the purchase made were not enclosed in the file
- Approval for purchase made was not obtained from competent authority.
- Supply order was not enclosed in the file for the items to be supplied.
- Comparative statement was missing as such comparison of rates was not carried out.

1.10 Non closure of Cash book - Dolepchen GPU (REGU BAC), Gnathang GPU (Nandok BAC), Linkey Parakha GPU (Parakha BAC), Amba GPU (Pakyong BAC), Luving Parbing GPU (Ranka BAC)

Under rule 6 subsection (iii) of Sikkim Gram Panchayat (Financial) Rules, 2003 notified vide Notification No.35(159)/93-94/RDD/P-III/33 dated 03-07-2003, “All drawals shall be made through cheque only and after making the necessary entries in the Cash Book and recording the details of payment on the counterfoil of the cheque.”, **and also, as per rule 49 subsection (iii) of the Sikkim Financial Rules – 1979**, “The cash book should be closed regularly and completely checked. The head of the department/office should verify the totaling of the cash book or have this done by some responsible subordinate other than the writer of the cash book and initial it as correct.”

Closing of the cash book should be done regularly and all the monetary transactions should be entered in the cash book on the date on which they actually occur. Steps taken in this regard should be intimated to the audit.

1.11 Non maintenance of books of accounts - Bhusuk Naitam GPU under Nandok BAC

Under rule 7 subsection (ii) of Sikkim Gram Panchayat (Financial) Rules, 2003 notified vide Notification No.35(159)/93-94/RDD/P-III/33 dated 03-07-2003, **“it shall be mandatory for each Gram Panchayat to prepare and maintain the accounts and statements in the prescribed forms as specified in the schedules appended to these rules:-**

- Cash Book
- Monthly Receipts & Payment Register
- Annual Receipts & Payment Account
- Monthly Reconciliation Statements
- Inventory Register for Movable and Immovable assets.
- Balance Sheet”

However, the Contingent Audit Register, Work Register and Bill register were not kept and maintained by the GPU.

1.12 Non preservation of records - West Pendam GPU under Duga BAC

Under rule 10 subsection (i) of Sikkim Gram Panchayat (Financial) Rules, 2003 notified vide Notification No.35(159)/93-94/RDD/P-III/33 dated 03-07-2003, **“The Sachiva shall ensure the safe custody of all books of accounts and records of the Gram Panchayat and shall produce them for inspection before the auditors and any other officer/agency authorised by the Secretary.”** However, the measurement book for repairing the pipeline at Sukman Dhara to PHSC via Dahal Gaon at Sakhu Ward was said to be misplaced, hence, proper verification for deduction of taxes, pass order & pay order could not be done.

If the measurement book is misplaced then proper procedure should be followed for rectification and preservation of records should be prioritised by the GPU in future

2. IRREGULARITIES IN EXECUTION OF WORKS

The Gram Panchayat had executed various civil works including the work mentioned below during the financial year 2022-23. The general procedure for execution of civil works from the Gram Panchayat Fund is prescribed in the 'Sikkim Public Works Code and Manual' and also in the 'Gram Panchayat Development Plan Implementation Manual' by the nodal Department (Rural Development Deptt) in a simplified manner.

2.1 Yangtey GPU, Gyalshing BAC

The following works were undertaken and few important discrepancies were seen for the below mentioned works:

Sl.No.	Particulars	Cheque no/date	Amount
1.	Construction of community centre at lower Onglop (14 th FC)	Through PFMS/ 02.10.2022	7,97,846/-
2.	Upgradation of Samaj Ghar at Lower Bhaluthang	Through PFMS/ 21.07.2022	2,83,543/-

For sl. no. 1: Gross amount was paid without deducting Security Deposit (SD) from bill.

For sl. no. 2: Pass order from concerned AE & Pay order from Panchayat President needs to be obtained in MB before releasing payment but the same was not found done in MB. The concerned personnel must take this into consideration while releasing public funds.

2.2 Lingdok Nampong GPU under Kabi BAC

GPK had undertaken a CCFP work from Phigu house to Simdhara with a sanction amount of Rs. 70,000/- from SFC scheme. Many discrepancies were seen in this context which are listed below. The expenditure is made vide cheque no. 478337 dated 16.02.2023 amounting to Rs. 70,000/-.

- i. MB not used or not shown.
- ii. Estimate of work not found in file
- iii. Work bill 24 was also not in file.
- iv. Contract agreement not found.

2.3 Phensong GPU, Kabi BAC

On scrutiny of files and records of the works executed by Gram Panchayat during FY 2022-23, the following discrepancies were noticed which needs to be addressed by the authorities of the Gram Panchayat.

Sl. No.	Particulars	Cheque no./date	Amount
1.	Renovation of GPK (SFC)	407830/12.09.2022	2,05,673/-
2.	Repair of Phensong GPK (RGSA)	407820/12.07.2022	4,52,777/-

For sl. No. 1:

- i. Improper cash memos found for procurement of chairs & other items, GST bill not found.
- ii. Estimate for providing & laying of white coloured tiles of Somani/ Orient @ rs. 63,225/- not found in file.
- iii. Completion report not issued by AE/JE, engineering cell of BAC.

For sl. No. 2:

- i. Photograph of work done not seen in file for proof.

2.4 Turung Mamring GPU, Namthang BAC

The following discrepancies were noticed for the following work, which needs to be addressed by the authorities of the Gram Panchayat.

Sl. No.	Name of work	Cheque no/date	Amount
1.	Expenditure on work construction of Community hall (SFC)	514312/13.04.2022	3,76,300/-

The following discrepancies were found:

- i. Work estimate not found in record.
- ii. Work order also not found.
- iii. MB not shown during scrutiny.
- iv. Work bill form 24 not found in file

2.5 Non execution of civil work - Lingthem lingdem GPU, Passingdong BAC

The Panchayat President & other concerned staff of GPU must understand that the Government releases various grants to the local bodies for implementation of development works for public benefits & upliftment of their day to day life.

However it was found in the GP that no single payment was made from 15th FC fund in the financial year 2022-23. As per bank statement, an amount of Rs. 9,78,000/- was released to GPU as 15th FC grant for fy 2022-23 which totals to Rs. 29,72,925/- including its opening balance plus Interest and it was seen that whole balance fund amounting Rs. 29,72,925/- has remained unutilized.

This showed poor planning and inadequate monitoring thereby depriving the beneficiaries of the intended benefits of the scheme.

2.6 Non execution of civil work - Sumbuk Kartikey GPU, Sumbuk BAC

The Panchayat President & other concerned staff of GPU must understand that the Government releases various grants to the local bodies for implementation of development

works for public benefits & upliftment of their day to day life. However it was found in the GP that no single payments have been made from 15th FC fund in the financial year 2022-23. As per bank statement, an amount of Rs. 14,22,000/- was released to GPU as 15th FC grant for fy 2022-23 which totals to Rs. 47,30,926/- including its opening balance and it was seen that the total balance fund amounting Rs. 47,30,926/- remained unutilized.

2.7 Non execution of civil work - Turuk Ramabong GP, Sumbuk BAC

It was found in the GP that no single payment was made from 15th FC fund in the financial year 2022-23. As per bank statement, an amount of Rs. 17,10,000/- was released to GPU as 15th FC grant for fy 2022-23 which totals to Rs. 47,56,573/- including its opening balance and it was seen that the total balance fund Rs. 47,56,573/- has remained unutilized at the time of closing of accounts of FY 2022-23.

Therefore, due to delay in implementation of schemes, poor planning & inadequate monitoring, the project is being delayed every year and therefore the people of Gram Panchayat are deprived of the intended benefits of the scheme.

2.8 Melliaching GPU under Yuksom BAC

On scrutiny of files and records of the works executed by Gram Panchayat during the FY 2022-23, the following discrepancies were noticed:

Sl.No.	Particulars	Cheque no./date	Amount

2.	Minor repair of Melliaching VLW office(SFC)	482343/	2,69,984/-
3.	Construction of Milk collecting center (15 th FC)	PFMS/20.09.2022	89,980/-

The following discrepancies were found for the above works:

For sl. no. 1

- i. Work bill form 24 was not created by the Engineering cell of BAC.

For sl. No. 2-3

- i. GPK could not show the MB of the above works to audit.
- ii. Contract agreement not found in file.
- iii. Again the work bill form was also not created for the work.

2.9 Chota Samdong GPU, Chumbung BAC

On scrutiny of files and other records out of the civil works executed during the FY

2022-23 for which payments have been made the Gram Panchayat had attempted to follow the above procedure but still few lapses were noticed by the audit on the works “Construction of Dairy Milk Collection Centre amounting to Rs 4,03,000/-(15thFC)”.

- i. Supply of raw materials and goods should be acquired from the Government registered firm. However cash memo was enclosed on the file for the supply made with net value of Rs 96,000/-.
- ii. The above payment was inclusive of GST. Therefore the amount on GST was paid to the contractor instead of crediting into the Government account.
- iii. Pass order was not recorded in the measurement book.
- iv. Two years of delay in the execution of the above work was observed with reference to the annual plan.

2.10 Chumbung GPU, Chumbung BAC

On scrutiny of files and other records out of nine civil works executed during the FY 2022-23 for which payments have been made the Gram Panchayat had attempted to follow the above procedure but still few lapses were noticed by the audit on the works.

A. Construction of Multi purpose hall at ward no 3 amounting to Rs 9,00,000/-(15thFC/SFC)

- i. Two years of delay in the execution of the above work were observed with reference to the annual plan.
- ii. The above payment was inclusive of GST. Therefore the amount on GST was paid to the contractor instead of crediting into the Government account resulting in loss of revenue.
- iii. Summary of the facts of above work were not included in the Register of Works.

B. Construction of organic stall at ward no 3 amounting to Rs 2,05,000/-(SFC)

- i. Pass order and Pay order were not recorded in the measurement book.
- ii. Summary of the facts of above work were not included in the Register of Works.
- iii. Two years of delay in the execution of the above work were observed with reference to the annual plan.

2.11 Lungchok Salangdang GPU, Daramdin BAC

On scrutiny of files and other records out of the 12 civil works executed during the FY 2022-23 for which payments have been made the Gram Panchayat had attempted to follow the above procedure but still few lapses were noticed by the audit on the work “Construction

of Thambong new lakhey source development with fencing and new pipeline connection amounting to Rs 4,40,000/- (15th FC)”

- Labour clearance certificate was not obtained before release of payments. For the above work labor cess at 1% amounts to Rs 4400/-.
- Delay in the execution of the works as per the annual plan.

B. Construction of reservoir tank at Nagaon ward no 03 amounting to Rs 36,228/-(SFC)

- The initials of the Assistant Engineer of the BAC were missing in the bill form.
- Labour clearance certificate was not obtained before the release of payments.
- The work pertains to the annual plan of FY 2020-21 but the works were executed and the payment was made in the FY 2022-23. A delay of two financial years was noticed on the above works which signifies postponement of benefits to the public.

2.12 Singling GPU, Soreng BAC

The following works were executed during the financial year 2020-2021 by the VAC. And shortcomings detected during the test audit of records are summarised workwise below.

Sl No.	Name of work	Amount (Rs)
1.	Construction of New pipeline connection from Ghanti Khola to L. Singling .	4,57,000/-
2.	Water Supply Work dated-21/06/2022 vide cheque no. 092145.	1,89,998/-

The discrepancies found for the work mentioned above were:

For. Sl. No. 1 -

- Supporting documents were not found in the file.
- No pass order (by Engineering cell), pay order (by the Sabhapati) was obtained in Measurement Book (MB) before release of payment.
- Labour clearance certificate was not enclosed.
- Storage Charges were not deducted.

2.13 Kewzing Bakhim GPU, Ravangla BAC

On scrutiny of files and other records out of the 8 civil works executed during the FY 2022-23 for which payments have been made the Gram Panchayat had attempted to follow the above procedure but still few lapses were noticed by the audit on the work “RWSS at Sanu Bakhim below PWD amounting to Rs 2,64,000/-(15thFC)”.

- The above payment was inclusive of GST. Therefore the amount on GST was paid to the contractor instead of crediting into the Government account.
- Labour clearance certificate has not been obtained from the Labour Department..

- iii. Forest Royalty for the supply of goods was not deduced resulting in the loss of revenue to the Government.
- iv. One year of delay in the execution of the above work was observed with reference to the annual plan.

2.14 Kartok Bojek GPU- Rs 28,000

As prescribed in the Gram Panchayat Development plan, Manual purchase of stores, in case of open competitive tenders, shall be made by inviting quotations from a reasonable number of firms and the contract should be awarded to the lowest bidder. However, scrutiny of records on purchase of window panels revealed the purchase was made directly from various firms/suppliers in contravention to the prevailing orders as prescribed in the GPDP manual. It was also brought into notice that the supply orders were also not issued to the firm.

Simultaneously the payment of money shall be enclosed with a voucher setting forth full and clear particulars of the claim but for the above purchase the payment voucher was not enclosed with a file which states non creation of payment voucher for the payments.

2.15 Mayangsari Mangarjung GPU, Soreng BAC

On scrutiny of files and other records of following works the Gram Panchayat had attempted to follow the above procedure, but still the following lapses were noticed by the audit on the below mentioned works:

A. Restoration of water tank at Bhangyang Ward no 2 amounting to Rs 1,06,000/-(15th FC)

- i. The details of work which comprises name of the construction, work order no, head of account, date of commencement, date of completion, sanction amount was not entered in the Measurement book.
- ii. Completion certificate for the above work was not authorised by the Assistant Engineer.
- iii. Revenue receipt as forest royalty of Rs 81/- was not deposited in the Government account.
- iv. Labour clearance certificate was not obtained before release of payments.
- v. Pay order was accorded by the Junior Engineer which is illegitimate.
- vi. Delay of two years in execution of works as per the annual plan. The plan period for the above work is during FY 2020-21.

2.16 Award money & observation thereof - Lingchom Tikjik GPU,

Scrutiny of records revealed that GPU was awarded with award money in 2022-23 with fiscal incentive of Rs 8,00,000/- (Rupees eight Lakhs) only. GPK utilised the received

fund for the renovation of Gram Panchayat Kendra.

The following works were undertaken with the award money.

Sl. No.	Particulars	Cheque no./date	Amount
1.	Expenditure on wall skirting & floor tiles of conference hall	Through PFMS/ 26.09.2023	69,500/- 1,00,000/- 1,30,000/-
2.	Construction of roof truss in front of GPK & stage floor tiles etc	Through PFMS/ 26.09.2023 Through PFMS/ 29.09.2023	1,90,000/- 2,80,000/-

In addition to the above irregularity, many discrepancies were seen in the work process:

- i. No Measurement Book (MB) was used for executing the above works.
- ii. Labour clearance certificate was not found.
- iii. Work bill form 24 was not found in file.
- iv. Transit permit not obtained.

2.17 15FC fund not utilised for FY 2022-23 - Tingrithang GPU

It was found that no single expenditure was made from 15th FC account in FY 2022-23 as no civil works were undertaken by the GP in the financial year. As per bank statement, an amount of Rs 7,84,000/- was released to GPU as 15th FC Grant for FY 2022-23 which totals to Rs. 26,14,562/- including its opening balance & Interest and it was seen that whole amount i.e., Rs. 26,14,562/- remained unutilised for the financial year.

The development funds remaining unspent indicates poor planning and inadequate monitoring thereby depriving the beneficiaries of the intended benefits of the scheme. The reason for the above discrepancy is sought from the concerned authority and is advised to ensure utilisation of funds in future properly and within the stipulated time period.

2.18 Rolep Lamaten GPU under Regu BAC

On scrutiny of files and other records of following works the Gram Panchayat had attempted to follow the above procedure, but the following lapses were noticed by the audit.

6	Repair of midday meal kitchen	5th SFC	2019-20	1,22,574	6,480	-

- i. In some cases payment was made to the contractor for the total value of work done, the security deposit was also released, and some sources of revenue like forest royalty was deducted but the revenue collected therein was still in the bank account of the GPU. However, it should have been brought into the system and streamlined into a proper channel by depositing it in the respective government account in future.
- ii. In a few cases the work was allotted for the Financial Year 2019-20 (Sl no 4-6), but the payment was made in the Financial Year 2022-23 which indicates that there was parking of funds.
- iii. NIT was not floated in the leading newspaper for Sl. No 5.

2.19 Rhenock GPU, Rhenock BAC

On scrutiny of work related files of the GPU, the following discrepancies were mostly found for the following works:-

- In most cases MB and form no 24 was not enclosed in the file.
- In most cases taxes payable such as Forest Royalty, P.Tax, etc was not deducted.

2.33 Byeng Phegyong GPU, Martam BAC

On scrutiny of files and other records of following works the Gram Panchayat had attempted to follow the above procedure, but still the following lapses were noticed:

Sl No	Name Of Work	Plan Period	Fund	Net Payment	Royalty	P. Tax	Other Deductions
1	Community Sanitary Complex	2021-22	15th FC	90000	-	-	-
2	RWSS Kagyud Gumpa ward	2020-21	15th FC	205173	-	-	-

- In a few cases taxes were deducted but the tax amount was still in the GPU's bank account and was not deposited in the respective government account.
- In a few cases, works were approved as per the 2020-2021 plan but it was executed in the Financial Year 2022-23, which shows that there was parking of funds for many years due to non-execution of works according to the plan.
- In most cases taxes payable such as Forest Royalty, P.Tax, etc was not deducted.

3. IRREGULARITIES IN PURCHASE PROCEDURE

3.1 Tingchim Chandey GPU, Kabi BAC

The office had purchased stationeries for office use from Supplier Tashi Bhutia, Phodong for which the cheque amounting to Rs. 98,815/- vide cheque no. 17041 dated 08.04.2022 was paid to him. The following irregularities were seen for this purchases:

- i. Prior administrative approval was not taken from higher authority for purchase of stationeries.
- ii. Quotation was not called, comparative statements were not prepared.
- iii. Supply order was not issued to the Supplier. Purchase was made without issuing a supply order.
- iv. Stamp Charge was not deducted from the bill.

3.2 Assangthang GPU, Namchi BAC

The purchases of any article exceeding Rs. 20,000/- but not exceeding Rs. 10,00,000/- the sealed tenders/quotations through advertisement in local papers should be invited to avail the benefit of competitive rates and make an agreement with the lowest bidder.

GP had procured table & chairs for use in the office for which the office incurred Rs. 80,000/- on 04.08.2022 & 74,576/- on 20.12.2022 from SFC fund vide cheque no. 098166 & 098137 respectively. It was seen during a test check of the documents that the GPK purchased the items from local vendors, without inviting quotation as records relating to quotation were not found in the file, comparative statements were not prepared. This shows unfair competition and favouritism.

3.3 Hee Gyathang GPU, Passing Dong BAC

An expenditure amounting to Rs. 49,000/- was incurred from special incentive grants for purchasing water source accessories wherein the following discrepancies were noticed on its purchase procedure. The payment was made to Sushil Kumar vide Cheque no. 027962 dated 30.09.2022.

- i. Quotation was not called.
- ii. Comparative statement not created
- iii. Purchase was made without issuing a supply order.
- iv. Stock entry not done in Stock Register.
- v. Receipt acknowledgement not done.

3.4 Ben Namprick GPU, Temi BAC

It was seen that payment of Rs. 33,500/- was made to Bishal Bansal for supply of office table & Deluxe chair /- vide cheque no 982642 on 09.05.2022 wherein the following irregularities were found:

- i. No approval was taken from higher authority for supply of furniture.
- ii. Payment voucher was not created
- iii. No quotation/ comparative found in file.
- iv. Supply order was not given to the supplier.

3.5 Irregular Local Purchase - Mabong Segeg GPU, Baiguney BAC

According to Rule 127 of Sikkim Financial Rule & Notification no 03/fin (Actts) dated 28/09/2004, issued by the Finance Department. Government of Sikkim. When stores are purchased from the open market directly, the system of open competitive tender should be adopted. In case of purchases of stores costing more than 1,00,000/- purchase should be made either through STCS or open tenders (through advertising) giving wide publicity in the leading newspapers at least a month before the last date of submission of tenders. For other purchases costing not more than one Lakh, whether made direct by the department or through STCS, the sealed tenders/quotations through advertisement in local papers should be invited.

Scrutiny of vouchers and files revealed that the BAC had purchased Office furniture vide cheque no. 023519 dt. 22/09/2022 amounting to Rs. 85,400/- from local supplier without inviting quotation from suppliers. This led to non- Compliance of purchase procedure.

3.6 Timburbung GPU under Soreng BAC- Rs 1,21,500 -

As Rules laid down under the Sikkim Financial Rules 1979 under purchase procedure for direct purchases and to ensure quality and reasonable rates of any item to be procured. The Gram Panchayat had attempted to follow the above purchase procedure as per financial rules, however the following anomalies were observed by the audit team while purchase of furniture (Paid vide cheque no 444411 dated 14/09/2022).

- i. Approval for purchase made was not obtained from competent authority.
- ii. Supply order was not enclosed in the file for the items supplied.
- iii. Comparative statements were not prepared as such comparison of rates was not carried out.
- iv. Neither the purchase of items was passed in the resolution of Gram Sabha which is

mandated.

3.7 Dolapchen GPU, Regu BAC

To ensure the quality and reasonable rates of any item, the steps mentioned below have to be taken into consideration:

- i. The firm/Supplier must be reliable and registered for selling/supplying the items,
- ii. Quotations of at least three such firms have to be obtained to ensure the reasonable rates,
- iii. Comparative statement has to be prepared for approval of the lowest rate quoted.
- iv. After approval of rates, supply order is to be issued and on receipt of bill, payment be made.

SI No	Particulars	Cheque no	Amount
1	Purchase of stationeries	34681	25,745/-
2	Office expense	34690	35,485/-

It was observed that necessary steps like calling of quotations, drawing comparative statements and issuing supply order was overlooked by the GPU in most cases.

3.8 Namcheybong GPU, Pakyong BAC

To ensure the quality and reasonable rates of any item, the steps mentioned below have to be taken into consideration:

- The firm/Supplier must be reliable and registered firm for selling/supplying the items,
- Quotations of at least three such firms have to be obtained to ensure the reasonable rates,
- Comparative statement has to be prepared for approval of the lowest rate quoted.
- After approval of rates, supply order is to be issued and on receipt of bill, payment be made.

The purchase procedure as mentioned above has not been followed by the GPU for the following payments.

3.9 Dung Dung Thasa GPU, Khamdong BAC

To ensure the quality and reasonable rates of any item, the steps mentioned below have to be taken into consideration:

The purchase procedure was not followed by the GPU for the payment made to M/S Abhishek Psd. Gupta for miscellaneous purchase of Rs 2,02,295/- , as quotations of at least three firms were not called and hence no comparative statement was prepared to ensure that the items were bought from the lowest bidder. In most cases, (including the purchase of sanitizer spraying machine, mask, gloves, phenyl, soap, sanitizer, broom, P.P. kit amounting to a total of Rs. 50,048/-) all the purchase procedures mentioned above from serial no (i) to (iv) were not followed.

2	Office expenses	26,580/-	100605
3	Procurement of sports equipments	50,000/-	100624

It was observed that in most cases certain steps while procuring items were not followed, such as the payment was made directly to the panchayat president and not to the firm.

3.11 Linkey Parakha GPU, Parakha BAC

To ensure quality and reasonable rates of any item, purchase procedure must be followed by the GPU. However, it was not followed for the following supplies.

Sl No	Particulars	Amount	Cheque No
1	Purchase of Stationeries	1,50,000/-	86972
2	Supply of Furniture	1,00,000/-	86966

It was observed that for serial no 1, necessary steps like calling of quotations, drawing comparative statements and issuing supply order were overlooked by the GPU. Also, for

serial no 2, the quotation was called but only the quotation of Anil Kr. Sharma, who also happens to be the lowest bidder, was enclosed in the file.

3.12 Sudunglakha GPU, Rhenock BAC

The purchase procedure has not been followed by the GPU for the purchase of necessary office equipment amounting to Rs 49,000/- (Cheque no 098374 dated 04/07/2022) as only the contingent bill and the tax invoice was enclosed in the file. Necessary steps like calling of quotations, drawing comparative statements and issuing supply orders were overlooked by the GPU.

5. DIVERSION OF FUND

5.1 Kitam Manpur GPU, Namchi BAC

Incurring expenditure for purposes other than the prescribed without specific sanction of the Government is not permissible and it amounts to diversion of funds. In case of specific grants, the grants should be utilised only for the specific purpose for which the grant is released and no diversion is permissible without the approval of such grant releasing authority.

Scrutiny of records revealed that the expenditure was incurred for undertaking RWSS work at Belbotey for which the payment amounting to Rs. 1,14,916/- was made vide cheque no. 043085 on 16.02.2023. While on scrutiny, it was noticed that the work was sanctioned from 15th FC grant and thus the payment were to be made from 15th FC account but on contrary, payment was made from 5th SFC and it has not been refunded till the date of audit which is highly irregular. Therefore it has been advised to GPK to recover the amount Rs. 1,14,916/- from 15th FC fund to 5th SFC as early as possible and intimate to Audit.

6. NON-REMITTANCE OF DEDUCTIONS/RECOVERIES FROM VOUCHERS/PAY BILLS/CONTINGENT BILLS

All money received by or on behalf of the Government shall be brought into the Government account without delay. As per the rule, the head of every officer shall be responsible to ensure that all revenue, receipts, or other sums due to the Government are regularly and promptly assessed, realised, and credited to the Government account under the relevant head of account.

6.1 GST not remitted - Navy Shotak GPU, Kabi BAC

As per rule, the head of every office shall be responsible to ensure that all revenue, receipts or other sums due to the Government are regularly and promptly assessed, realised and credited to the Government account under the relevant head of account.

The responsibility of depositing the amount with the government on/or before the due date lies with the deductor. However on scrutiny of bills, cash book and bank statement; it was revealed that although the payments have been made to suppliers/ contractors and the deductions, viz., GST, TDS & Forest Royalty, were also deducted from various work bills but the same was not deposited into the Government account on time which shows its non-compliance on rule.

Details are as follows:

Sl. No.	Name of work	GST to be remitted
1.	Cost. Of CCFP from Sureah Gurung house to LB Chettri	GST 2% - 4911/- GST 2% - 4911/-

6.2 GST not remitted - Phensang GPU, Kabi BAC

As per rule, the head of every office shall be responsible to ensure that all revenue, receipts or other sums due to the Government are regularly and promptly assessed, realised and credited to the Government account under the relevant head of account.

The responsibility of depositing the amount with the government on/or before the due date lies with the deductor. However it was revealed that the payments have been made to suppliers/ contractors deducting all the deductions from work bill viz., GST, TDS & Forest Royalty but the same was not deposited into the Government account which shows its non-compliance to the rule.

6.3 Non deduction of labour cess and other irregularities (15th FC) - Deythang GPU, Kaluk BAC

According to the Building and other construction worker's welfare Cess Act, 1996, there shall be levied and collected a cess for the purposes of the Building and other construction workers Act, 1996, at such rate not exceeding two percent but not less than one percent, of the cost of construction incurred by an employer. The proceeds of the cess collected shall be paid by the local authority or the State Government collecting the cess to the Board after deducting the cost of collection of such cess not exceeding one percent of the

amount collected.

However, it was seen that GPK had executed many construction works and payments were also made but without deducting labour cess from Contractor bill. In fact, most of the GPUs under Kaluk BAC were not in a practice of deducting labour cess from Contractor bill as prescribed by the State Government. In some cases, the Security Deposit was also not deducted and a gross amount was released to the Contractor. Therefore, 1% labour cess of the cost of construction of the following works may be recovered from Contractor and remit to the concerned Board.

6.4 Non Recovery of Storage Charges - Budang GPU, Soreng BAC

Estimates for civil works are prepared on the basis of the Schedule of Rates (SOR) approved by the Government of Sikkim. The rate for each item of work included in the SOR is built up of various components, one of which is storage charge in respect of departmentally issued materials like cement, steel etc. This is fixed as 5 percent of the issue price of the concerned material and forms a part of the estimate irrespective of whether the material is issued from the departmental stores or procured on his own by the contractor. As such, this amount is to be deducted from the bills of the contractor. However, the Department had not been recovering storage charges in cases of self-procurement of stock materials thereby giving undue benefit to the contractors. A test check of 4 such cases for which payments were made revealed that an amount of Rs.7,796/- had not been recovered on this account.

7. ADVANCES

7.1 Advance released without approval & sanction - Maneybong GPU, Dentam BAC

As per rule all expenses and payment for which the fund is proposed to be withdrawn should be duly approved and sanctioned by the Competent authority to whom such power is delegated.

However, an advance of Rs. 1,50,000/- was released from SFC fund on 16.09.2022 vide cheque no. 064145 for supply of Aluminium for partition work of GPK but it was seen that the expenditure was incurred without approval and sanctioned by the competent

authority. No record in file was found for release of advance. Such payment without necessary records raises doubt on its genuine utilisation of public funds.

7.2 Outstanding advances - 10, 84,272/- Chingthang GPU, Hee Martam

According to Rule 11 of Sikkim Financial Rule, every Officer incurring or authorising expenditure from public money should be guided by a high standard of financial propriety. Every Officer should also enforce financial order and strict economy at every step and see that all relevant financial rules and regulations are observed by his own office and subordinate disbursing Officers. Every Officer is expected to exercise the same vigilance in respect of expenditure incurred from public money as a person of ordinary prudence would exercise in respect of expenditure of his own money.

Similarly as per rule 147 of Sikkim Financial Rules, as a general rule, and subject to such exceptions as may be authorised by Government, no payment can be made to a contractor, except for work actually done or supplies actually received. Subject to such general or special orders as may be issued by the Government in this behalf, advances, if any, made to Contractors during the execution of a work shall invariably be recovered from their bills for the value of works done or supplies made before final payment is made, which must, in no case be permitted without detailed measurement.

However, contrary to the rule, the Gram Panchayat released an advance of Rs. 5,50,000/- from SFC fund in favour of Sr. VAA during FY 2020-21 vide cheque no. 023311/ 22.02.2021 for upgradation work of four rooms at GPK.

As per financial rule, an advance shall not ordinarily be sanctioned unless the outstanding balance in respect of an advance previously granted for the same purpose has been fully settled. But GPK released additional advance to Sr. VAA in FY 2021-22 amounting to Rs. 5,34,272/- for the same purpose from 14th FC scheme (vide cheque no. 030580 dated 20.01.2022) without adjusting the advance that was granted earlier.

In addition, it was mentioned that the work was awarded to Mr. Norbu Bhutia & Rinchen Bhutia, land donors. The payment thus should have been in the name of the Contractor whereas it was made in favour of Sr. VAA.

Also, final adjustment of advances has not been made till December 2023. Non adjustment of advance for a long period without sufficient valid reason creates doubt on proper utilisation of public funds.

7.3 Non maintenance of Advance Register - Kyongnosla GPU, Kabi BAC

Scrutiny of records revealed that the GP had released an advance of Rs. 3,00,000/- for extension of Kyongnosla Jr. High School at Kyongnosla vide check no. 425759 dated 29.04.2022 from SFC scheme but the GP had not maintained the Advance Register so the

entries of advance were not entered into the Advance register till the date of audit.

In order to monitor and watch adjustment of advances in a systematic manner, the State Govt has made Advance Register mandatory. After creating an appropriate Advance Contingent bill, the details of drawal of advance should be recorded in the Advance Register and submitted to the Head of Office who after careful scrutiny, will sign the bill and initial the Advance Register. When the cheque for advance payment is ready to disburse, the cheque details should be recorded in the cash book as well as in the Advance Register. The head of office will thereafter initial the Cash book and in the Advance Register. Likewise, the GP should follow the same process when final payment is to be made. The detailed contingent bill is created for adjustment of advance and when the cheque is ready for payment, the record of advance adjustment should be recorded in the cash book as well as in the Advance Register.

Advance Register should be reviewed by the Head of office at frequent intervals to ensure that the advance does not remain outstanding for more than the period stipulated for settlement.

Therefore, the GP has been advised to maintain the Advance register at the earliest & make up to date entries of all advances released by GP under intimation to audit.

7.4 Advance Payment of Honorarium - Kongri labdang GPU, Arithang Chograng BAC

The Gram Panchayat Unit provides salaries to its Panchayat members and honorarium to the elected representatives for their services. These payments are made monthly. However, it has been observed that advance payments are sometimes made to facilitate immediate financial requirements. The sum of Rs.1,86,000/- dated 14/02/2022 was released as an advance honorarium for the month of 1st November,22 to 28th February,2023.

We noted that there is no documented policy or guidelines governing the advance payment of salary and honorarium. This absence of a formal policy contributes to inconsistencies and potential misuse of funds. During our examination, we found instances where advances were issued without appropriate supporting documentation, such as requisition forms or advance payment requests. This lack of documentation makes it difficult to ensure the proper authorization and accountability of the advances.

Based on our observations, we recommend the following actions to address the identified deficiencies: -

- i. Develop and implement a clear policy and guidelines governing the advance payment of salary and honorarium, including the maximum limit and conditions for issuing advances.
- ii. Strengthen documentation requirements for advance payments, including the preparation

of requisition forms or advance payment requests, as well as maintaining proper records for all advances disbursed.

- iii. Implement a system for regular reconciliation and reporting of advance payments to enhance transparency and accountability.

The advance payment process for salary and honorarium to the Panchayat at the Gram Panchayat Unit lacks adequate controls, documentation, and accountability. The identified deficiencies pose significant risks, including financial mismanagement, non-compliance with statutory obligations, and potential misuse of funds. Prompt implementation of the recommended actions will help strengthen the control environment and mitigate these risks effectively.

7.5 Advance payment of Honorarium - Bhusuk Naitam GPU, Nandok BAC

Under rule 6 subsection (i) of Sikkim Gram Panchayat (Financial) Rules, 2003 notified vide Notification No.35(159)/93-94/RDD/P-III/33 dated 03-07-2003, “**No money shall be drawn from the Bank unless it is required for immediate disbursement.**” Also as per rule 28 of the Sikkim Financial Rules-1979, “**No money shall be drawn from the bank unless it is required for immediate disbursement. It is not permissible to draw money from the bank in anticipation of demands or to prevent the lapse of budget grant.**” However, it has been observed that Honorarium was paid to Panchayat Vice President for the month of July to September 2022 amounting to Rs 28,500/- (vide cheque no 220875) on the 12th of August 2022, paid to Panchayat President for the month of July to September 2022 amounting to Rs 30,000/- (vide cheque no 220874) on the 16th of August 2022 and paid to Panchayat member for the month of July to September 2022 amounting to Rs 27,000/- (vide cheque no 220877) on the 17th of August 2022. These payments are much in advance for the month of August and September 2022.

8. NON-UTILIZATION OF FUND

8.1 Delay in prosecution of work resulting in less utilisation of funds under 15th FC - Upper Thambong GPU, Daramdin BAC

On scrutiny of records observation of setbacks in implementation of civil works under 15th FC grant was noticed, the civil works under plan period of FY 2020-21 were executed in FY 2022-23. Therefore, it is apparent from the financial statement that the Gram Panchayat fund was not utilised properly from the 15th FC schemes as per the projection made in the annual plans. Due to which the developmental works of the village could not be carried out properly resulting in deprivation of facilities to the public. This also shows the improper planning or inability to implement the developmental works in time by the authority of Gram

Panchayat. The fund utilised as per records is shown as below.

Financial Year	Scheme	Total Receipt (I/C Cb 2021-22)	Payment during the Year	Financial progress
2022-23	15 th FC	5078149	1557001	30.66%

8.2 Less utilisation of received funds under 15th FC - Rumbuk GPU, Daramdin BAC

It is apparent from the financial statement that the Gram Panchayat fund was not utilised properly from the 15th FC schemes as per the projection made in the annual plans. Due to which the developmental works of the village could not be carried out properly resulting in deprivation of facilities to the public. This also shows the improper planning or inability to implement the developmental works in time by the authority of Gram Panchayat. The fund utilised as per the record is shown below.

8.3 Less utilisation of received funds under 15th FC - Ralong Namlung GPU, Ravangla BAC

It is apparent from the financial statement that the Gram Panchayat fund was not utilised properly from the 15th FC schemes as per the projection made in the annual plans. Due to which the developmental works of the village could not be carried out properly resulting in deprivation of facilities to the public. This also shows the improper planning or inability to implement the developmental works in time by the authority of Gram Panchayat. The fund utilised as per the record is shown below.

8.4 Parking of 15th FC Fund - Chungthang GPU, Lachen GPU, Shipgyer GPU

The Panchayat President & other concerned staff of GPU must understand that the Government releases various grants to the local bodies for implementation of development works for public benefits & upliftment of their day to day life.

However, the scrutiny of the audit revealed that there was parking of funds for many years in the accounts of GP. This shows poor planning and inadequate monitoring thereby

depriving the beneficiaries of the intended benefits of the scheme. Therefore, it is advised to ensure utilisation of funds as per their Gram Panchayat annual plan and utilise within the stipulated time period.

8.5 Less utilisation of fund - Namthang maneydara GPU, Namthang BAC

The Head of office and other concerned staff of GPU must understand that the Government releases various grants to the local bodies for implementing developmental works for public benefits and upliftment of their day-to-day life. It was found in the GP that less payments have been made under 15th FC scheme. As per record an amount of Rs. 16,74,001/- was released to GPU as 15th FC grant for fy 2022-23 which totals to Rs. 26,36,308/- including its opening balance & interest and balance of Rs. 20,28,669/- has remained unutilised. A huge balance under gram panchayat fund has remained unutilised due to delay in implantation of scheme. In FY 2022-23, the payment was made for works planned in 2021-22. This shows poor planning and inadequate monitoring thereby depriving the beneficiaries of the intended benefits of the scheme.

It is advised to GPK to ensure utilisation of funds as per their Gram panchayat annual plan and utilisation within the stipulated time period.

The total fund received (which is the sum of the opening balance, fund received for the specific FY and the interest gained in that FY) for the financial year 2022-23 as per the bank statement is Rs 1,17,69,174/- wherein only an expenditure of Rs. 45,48,778 /- is incurred. The balance fund of Rs.72,20,396/- remained unutilized by the end of the financial year. Such instances of mismanagement of resources could have been avoided by proper planning and execution of works in a timely manner.

8.11 Central Pendam GPU, Duga BAC

The total fund received (the sum of the opening balance, fund received for the specific FY and the interest gained in that FY) for the financial year 2022-23 as per the bank statement is Rs 1,07,45,617/- wherein only an expenditure of Rs. 51,47,443/- is incurred. The balance fund of Rs. 56,67,173/- remained unutilized by the end of the financial year. Such instances of mismanagement of resources could have been avoided by proper planning and execution of works in a timely manner.

9. EXCESS PAYMENTS

9.1 Pecherek Hee Patal

Security Deposit (SD) should be refunded after the expiry of the defect liability period (six month) after satisfactory completion of work provided that the Contractor has satisfactorily carried out all work and attended to all defects in accordance with terms, conditions, specifications and items of the work. But it was found on scrutiny that GP released the payments to Contractors along with the Security Deposit which shows non-compliance of rule on the part of GP. This has also caused a loss of interest in Gram Panchayat funds.

Besides, it was also found that excess payments were made to Contractors without any bill & voucher for the following works totaling to Rs. 4159/- . GPK made payment of the whole sanctioned amount to the contractors whereas the actual work done (amount claimed by contractors) was comparatively lesser than what is paid. Therefore, the GP is advised to recover the excess paid amount Rs. 4159/- from the respective Contractors and ensure to refund the Security Deposit in the future in compliance to the rule or guidelines.

Also in some cases, the pass order from the concerned AE & pay order from the Panchayat President had not been obtained in the Measurement Book before releasing the payment which was irregular.

10. EXCESS EXPENDITURE

10.1 Excess expenditure made in office expenses - Singhik Sentam GPU, Mangan BAC

During a test check of records of Gram Panchayat, it was found that a huge amount i.e., approx Rs. 4,90,000 (in total) has been incurred for office expenses in GPK during financial year 2022-23.

Therefore, it has been advised the GP to purchase the stationeries based on the requirement for a certain period of time rather than purchasing it recurrently by following due purchase procedure.

10.2 Excess expenditure under office expenses –Rs 1,33,099/- Siktam Tikpur GPU, Daramdin BAC

The State Government on the recommendation of the Finance Commission releases Grants to the GPU for basic amenities and strengthening of services such as water supply, sanitation, sewerage, community assets etc. The Government while allotting the fund to the GPU prescribes that a maximum amount can be utilised towards administrative and technical support.

However, scrutiny of records revealed that excess expenditure was incurred for office expenses through the accounts of State Finance Commission (SFC) and Own Source Revenue (OSR) which were against the scheme guidelines. The details of the expenditure are

10.3 Excess Office Expenditure - Barfung Jarrong GPU under Ravangla BAC

Audit team conducted an audit on office expenditures for the financial year 2022-2023 and found that the GPU had spent Rupees Two Lakh Sixty Five Thousand One Hundred Seventy Seven (1,75,177/-) for Office Expenses. The objective was to ensure compliance with the established budget and identify any instances of excessive spending. Our observation report highlights areas of concern and recommendations to limit these expenditures.

a. Excessive spending on office supplies:

- i. We found that the office has been consistently purchasing office supplies exceeding the allocated budget.
- ii. The lack of monitoring and control measures regarding office supply purchases has contributed to this excess expenditure.

b. Inefficient utilisation of printing and photocopying services:

- i. The office has been incurring significant costs on printing and photocopying services due to ineffective monitoring and control.

Implement a robust monitoring and control system:

- i. Establish a proper approval process for all office supply purchases.
- ii. Set clear spending limits for each category of office supplies.
- iii. Regularly review and reconcile the office supply inventory to avoid overspending.
- iv. Promote duplex printing and low-resolution printing to reduce excessive printing costs.
- v. Encourage staff to only print or photocopy essential documents and utilise electronic means wherever possible.

To limit excess office expenditure, it is vital to implement the recommendations

outlined above. By enforcing stricter controls, promoting responsible practices, and regularly reviewing the budget, the office can effectively manage expenses within acceptable limits. We recommend timely action to mitigate these concerns and ensure adherence to financial discipline.

10.4 Excess Office Expenditure - Karjee Magnum GPU, Arithang Chograng BAC

We conducted an audit on office expenditures for the financial year 2022-2023 and found that the GPU had spent Rupees Three Lakh Sixty One Thousand only (3,61,000/-) for Office Expenses. The objective was to ensure compliance with the established budget and identify any instances of excessive spending. Our observation report highlights areas of concern and recommendations to limit these expenditures.

a. Excessive spending on office supplies:

- i. We found that the office has been consistently purchasing office supplies exceeding the allocated budget.
- ii. The lack of monitoring and control measures regarding office supply purchases has contributed to this excess expenditure.

b. Inefficient utilisation of printing and photocopying services:

- i. The office has been incurring significant costs on printing and photocopying services due to ineffective monitoring and control.

- v. Encourage staff to only print or photocopy essential documents and utilise electronic means wherever possible.

To limit excess office expenditure, it is vital to implement the recommendations outlined above. By enforcing stricter controls, promoting responsible practices, and regularly reviewing the budget, the office can effectively manage expenses within acceptable limits. We recommend timely action to mitigate these concerns and ensure adherence to financial discipline.

11. WASTEFUL EXPENDITURE

11.1 Wasteful expenditure or Avoidable expenditure of Rs 69,600/-Dodak GPU

During the financial year 2022-23 the GPU had incurred a sum of Rs 69,600/-vide cheque no 137595 dated 27/06/2022 from the SFC grant as “**Plantation Drive**”.The expenditure incurred seems to be unnecessary as the above mentioned work could have been carried out in convergence with the schemes of the Department concerned. Further, payments

were made in favour of the Panchayat President who had submitted cash memos for such a huge amount.

Hence, the expenditure was avoidable and could have been used for other purposes permissible as per the guidelines of the scheme.

12. MISCELLANEOUS

12.1 Irregularities on training programme - Mickkhola GPU, Namchi BAC

According to Rule 6 (2) of Sikkim Gram Panchayat Financial Rules 22003, all expenses and payment for which the fund is proposed to be withdrawn should be duly approved by the Secretary Rural development Department or by any officer to whom such power has been delegated.

Scrutiny of records revealed that the GPK had released an amount of Rs. 40,000/- from 15th FC account through PFMS on 30.08.2022, for conducting Candle making training, without creating payment voucher. Also a copy of plan of the training and gram sabha resolution were also not enclosed in file. Therefore, the audit could not ascertain its genuineness of utilisation of funds.

12.2 Non attachment of supporting vouchers/Cash memos - Boomtar GPU, Namchi BAC

On scrutiny of records, it was seen that the following expenditures were made by the GPK wherein the complete supporting vouchers/cash memos were not enclosed with the payment voucher. For instance, payment of Rs. 23,140/- was made in favour of panchayat President for incurring expenditure on special Gram Sabha but out of the amount, supporting cash memos of Rs. 11,290/- were not attached with the payment voucher.

Similarly, an amount of Rs. 29,940/- was released from 14th FC account in favour of Panchayat President for organising awareness programme and it was seen that the GPK had enclosed cash memos of only Rs. 21,140/- ; supporting voucher/ cash memos of Rs. 8,800/- were not enclosed by the GPK.

Sl. No.	Particulars	Cheque no./date	Amount	Supporting vouchers not attached
1.	Expenditure on special Gram Sabha (SFC)	104582/ 01.10.2022	23,140/-	11,290/-
2.	Awareness programme on immunisation (14 th FC)	Through PFMS/11.05.2022	29,940/-	8,800/-

12.3 Irregularities in awareness program - Tingvong GPU, Passingdong BAC

GPK had organised an awareness programme for which the payment was made from 4th SFC grant in favour of Panchayat members amounting to Rs. 28,000/-. But it was found that the file for the awareness programme was not created, thus the payment was made without obtaining administrative approval and sanction from the competent authority; only payment voucher and hand receipt shown during scrutiny. Also the purpose for which the awareness programme was organised was not written in a cash book.

12.4 Voucher not produced- Yuksom GPU, Yuksom BAC

It was seen that GPK made a payment to BDO Yuksom amounting to Rs. 2,20,000/- from their award money for incurring expenditure for RRC activities. However, no voucher bills were produced to audit thus it could not ascertain whether the fund was utilised for the purpose intended to or not. Such a transaction without proper documentation creates doubt on its genuine utilisation of public funds.

12.5 Reimbursement drawn frequently- Malbasey GPU, Soreng BAC

It was seen that frequent withdrawal of money had been made through reimbursement on account of staff of GPK for purchasing stationeries and Travelling Expenses.

It is advisable that the office stationeries are purchased for a certain period of time rather than purchasing it recurrently and the purchase of stationeries should be done directly from the Supplier by issuing cheque instead of reimbursing the amount, except in case of some urgency.

It is advised to GPK to furnish for frequent reimbursement withdrawal of public funds and ensure in future to incur the amount by following proper purchase procedure keeping proper records.

12.6 Low Own Source Revenue - Tashiding GPU, Arithang Chongrang BAC, Khaniserbong GPU, Mangalbaria BAC, Suldung Kamling GPU, Mangalbari BAC, Gelling GPU, Baiguney BAC

During the audit of the Gram Panchayat unit, it was observed that the own source revenue of the unit is very low. To ensure the financial sustainability and development of the village, it is imperative for the Gram Panchayat unit to focus on earning high income through various sources in the village. This will help in increasing revenue generation and facilitating the implementation of development projects and welfare activities. The observations are:

- i. **Low own source revenue:** The audit identified that the Gram Panchayat unit is heavily dependent on external funding sources, such as government grants and allocations, for its financial needs. The contribution from own source revenue is significantly low, indicating a lack of proactive revenue generation initiatives.
- ii. **Limited income streams:** The Gram Panchayat unit mainly relies on traditional sources of revenue, such as property taxes, fees and fines, etc. There is a lack of diversified income streams that could potentially generate higher revenues for the unit. This limits the financial resources available for the unit to meet its development objectives.
- iii. **Lack of promotion of local economy:** The Gram Panchayat unit has not actively promoted and supported local entrepreneurship and economic activities in the village. Encouraging local businesses and facilitating economic growth can create sustainable income sources for the unit and uplift the overall economic well-being of the village.

The low own source revenue and the lack of focus on high-income generating sources in the village can have several adverse consequences:

- i. **Limited financial resources:** Insufficient revenue generation limits the Gram Panchayat unit's ability to implement development projects and provide essential services to the community. It hinders the progress and well-being of the village.
- ii. **Dependency on external funding:** Over-reliance on external funding sources makes the Gram Panchayat unit vulnerable to budgetary constraints and delays in funding disbursement. This affects the timely execution of planned activities and projects.
- iii. **Missed opportunities for local development:** Neglecting income-generating opportunities within the village disregards the potential for local economic growth, innovation, and self-sufficiency. It hampers the overall progress and prosperity of the village.

Recommendations:

- i. **Conduct a comprehensive assessment:** Perform a detailed analysis of the existing revenue sources, their potential for growth, and the areas for improvement. Evaluate the feasibility of introducing new income streams in line with the village's resources and local economy.
- ii. **Develop a revenue generation strategy:** Formulate a comprehensive strategy that outlines specific actions, targets, and timelines for diversifying and increasing own source revenue. The strategy should consider both short-term and long-term initiatives to ensure sustainable growth.
- iii. **Strengthen revenue collection processes:** Improve the efficiency and effectiveness of revenue collection mechanisms. This includes streamlining the collection of property

taxes, implementing better record-keeping practices, and adopting proactive measures for recovering outstanding dues.

- iv. **Explore and utilise village resources:** Identify and promote the utilisation of available resources within the village, such as community halls, marketplaces, and public spaces, for income-generating activities. Encourage local entrepreneurship, facilitate business activities, and support the development of a vibrant local economy.
- v. **Raise awareness and encourage participation:** Conduct awareness campaigns to educate the community about the importance of revenue generation for the village's development. Encourage community participation and cooperation in revenue-generating activities.
- vi. **Establish partnerships and seek assistance:** Collaborate with relevant government departments, local organisations, and potential investors to explore funding opportunities, technical support, and expertise in implementing income-generating projects.

By implementing the above recommendations, the Gram Panchayat unit can enhance its own source revenue and reduce its reliance on external funding sources. This will ensure the financial sustainability of the unit and facilitate the execution of development initiatives for the welfare of the village and its residents.

12.7 Irregular payment in the maintenance of Garbage vehicle –Rs 7580/- Buriakhop GPU, Daramdin BAC

For the maintenance of garbage vehicles various lapses were observed during the scrutiny of records. Below are the irregularities observed for the expenditure on maintenance of garbage vehicles from the head SNP under 5th SFC for payment of Rs 7580/-.

- The payment was made in favour of the Panchayat President instead in the name of the firm.
- The bill enclosed on the file for the repair work done amounts to Rs 2580/- but cheque was drawn amounting Rs 7580/- which shows mismatch.
- It was observed that the spare parts were purchased from Hukpa Hardware Store dated 13/01/20 which is a forgery.

B. AUDIT PARAS OF ZILLA PANCHAYAT

Some of the selected audit objections of Zilla Panchayats for the financial year 2022-23 raised during the year 2023-24 are enumerated below:

1. NON ADHERENCE TO RULE

1.1 Technical Report not obtained from SNT for repair of vehicles - Gyalshing Zilla Panchayat

As per para 3 & 5 of Appendix -3A of Sikkim Financial Rule, procedure for “Maintenance and repairs of government vehicles” shall be as follows:-

- (a) Vehicles requiring repairs shall first be examined by the Transport Department, SNT Division, who shall be the sole authority to examine the vehicles and certify the extent of repairs that are necessary.
- (b) No bill other than what is specified under Para 2(a) will be paid unless it is certified by the Chief Engineer, Transport Department, SNT Division.
- (c) The purchase of spare parts shall be made from manufacturers, authorised dealers/agencies on the basis of competitive rates duly verified by Chief Engineer, Transport Department, SNT Division.

On scrutiny, it was seen that major repairs were done for Government vehicles namely SK.02G.0033 attached to Adhakshya without following the above mentioned procedures.

Sl. No.	Particulars	Cheque no/date	Amount
1.	Major repair of veh. SK.02.0033 by M/s Graphix. (GIA)	876110/29.03.2023	1,81,874/-
2.	Major repair of veh. SK.02.0033 attached to Adhyaksha. (GIA)	876110/29.03.2023	1,08,242/-

The irregularities found on scrutiny are -

- i. Zilla Panchayat did not obtain a Technical report from SNT Division for undertaking such major repair works of the vehicles which is highly irregular.
- ii. As per rule, bills are needed to be sent to the Transport Department, SNT for rate verification. But in this case, the repair cost was huge (as shown above in table) but bills were not sent to SNT for rate verification.
- iii. Bills were also not certified by the concerned authority.

1.2 Expenditure incurred under Covid 19 without following purchase procedure Rs. 19,39,219/- Zilla Panchayat Namchi

During scrutiny of documents, the audit team observed that there were many cases of purchase made exceeding Rs. 1 lakh in the form of reimbursement without following the purchase procedure which generally comprises only of purchase made relating to “essential commodities” for Covid-19. Some of the reimbursements claims are given below:

Sl No	Particulars	Date	Amount
1	Bill in r/o Mahesh Medical Store,Namchi for the purchase of medical equipments	06/08/2022	5,24,944/-
2	Distribution of Covid 19 kits essentials under various ZTC	10/08/2022	2,95,000/-
3	Distribution of Covid 19 kits and essentials under various ZTC	16/08/2022	1,77,000/-
4	Distribution of Covid 19 kits under 10 nos ZTC	18/08/2022	5,89,659/-
5	Distribution of Covid 19 kits under 4 no ZTC	18/08/2022	2,34,616/-
6	Distribution of Covid 19 kits under Tingringthang Banchan and Bermiok Namphing ZTC	16/09/2022	1,18,000/-

2. IRREGULARITIES IN THE EXECUTION OF WORKS

2.1 MR Sheet/ Acknowledgment not found - Gyalshing Zilla Panchayat

As per rule 37 (2) of Sikkim financial rules, 1979, every voucher must bear, or name attached to it an acknowledgement of the payment signed by the person by whom, or on whose behalf the claim is put forward. The acknowledgment should be taken at the time of payment.

On the contrary, it was found that no acknowledgment of MR/ payee's signature was obtained at the time of release of MR payment for the following works executed by Gyalzing Zilla Panchayat. Therefore, the reason for such discrepancy may be furnished to Audit.

Acknowledgement for following payments was not obtained:

Sl. No.	Name of work	Cheque no/Date	Sanctioned Amount
1.	Paid to AE for Muster roll for construction work at Karjee (Development fund)	071704/17.01.2023	1,42,510/-
2.	Paid to AE, WDZP for MR payment for construction work	071709/31.03.2023	1,32,726/-

Sl. No.	Name of work	Cheque no/Date	Sanctioned Amount
3.	Paid to AE for water supply work of from Nangsa Phucha to Darap Nambu (15 th FC)	PFMS/04.05.2023	66,254/-
4.	Paid to AE for water connection work at Bermiok Daragaon JHS (15 th FC)	PFMS/06.05.2023	64,279/-

3. NON PRODUCTION OF RECORDS

3.1 Mangan Zilla Panchayat -

As per Rule 18 of Sikkim Financial Rules 1979 - A subordinate authority affords all reasonable facilities to Audit for the discharge of his functions and furnish fullest possible information required by him for the preparation of any official account or report. Also, as per Rule 19 of SFR 1979 - A subordinate authority shall not hold information, books or other documents required by audit.

As per cash book & bank statement provided by GP functionaries, it was seen that the ZP had incurred the following expenditure from various schemes but they could not show the record at the time of the audit.

Sl. No.	Particulars	Cheque no/date	Amount
1.	Supply of office furniture and stationeries to Zilla office	018174/13.01.2023	4,09,915/-

3.2 Non production of files - Rs 23,61,435 /- Gangtok Zilla Panchayat

As per section 87 of the Sikkim Panchayat Act-1993, "The Sabhapati or, as the case may be, the Adhakshaya shall produce, or cause to be produced to the auditor all such accounts of the fund of the Gram Panchayat or the Zilla Panchayat concerned as may be required by the auditor." However, the Zilla Panchayat failed to produce the following files and measurement books:

Sl No	Particulars	Amount	Cheque No
1	Supply of materials for office building	311649/-	509416
2	Supply of materials for RWSS at Ajit Gaon Rorathang	373231/-	509418
3	Supply of materials for CCFP at Barat gaon to NH10 Namli ward	310248/-	511023

SI No	Particulars	Amount	Cheque No
4	Supply of materials for Truss at lower Sudanglakha Pri School	297660/-	511027
5	Pilgrimage tour of Sr. Citizen – Amba-Taza T.C.	240000/-	
6	Supply of materials for CCFP to MS Banwarilall Omkarmall	288444/-	527435
7	Supply of materials for CCFP to MS Denzong Ent	265283/-	527490
8	Major repair for vehicle no SK-01G-0037	274920/-	527460
9	All files related to JJM works executed during the financial year 2022-23.		

4. MISCELLANEOUS

4.1 Excess requisition of fund for (Grant in Aid) Salaries - Namchi Zilla Panchayat

Audit observed that the GPU requisitioned for resources to meet up the salaries and honorarium of Zilla staff under Panchayati Raj Institutions on quarterly basis was surplus in comparison to the requirement. This practice led to resources blocked in the banks which could be used for other developmental purposes. The closing balance for the financial year 2022-23 under GIA is of Rs 1,07,74,019/-.

The audit suggested the GPU functionaries do proper verification of the existing balance at the banks through reconciliation at regular intervals of time before submission of requisition for the next quarter.

4.2 Entries not recorded in History book in some cases - Mangan Zilla Panchayat

As per rule 13 (b) of the appendix 3A of Sikkim Financial Rules, 1979, “purchase and replacement, not exceeding four tyres & tubes at a time shall be made after coverage of kilometres as specified below:

- i. Maruti (Car/Van) – 20,000 km
- ii. Ambassador – 18,000km
- iii. Multi utility vehicles/Gypsy – 15,000km

Similarly, as per Rule 13 (c), “the expenditure will not be included in the cumulative ceiling of expenditure under Schedule I to this Appendix but noted in the appropriate column

of History sheet and relevant record of the vehicle”.

However, it was seen that tyres & tubes were purchased for the following Government vehicles but no entries were made into the history register. So the audit team could not ascertain as to in what kilometre reading the tyre & tubes of the mentioned vehicles were changed and raises doubt on its genuineness of purchases.

Sl. No.	Name of Vehicle	Cheque no./date	Amount
1.	Purchase of tyre & tubes of SK.01.G.0033 (Scorpio) attached to Adyaksha	095013/01.03.2022 (Advance)	22,414/-
2.	Purchase of tyre & tubes of SK.01.G.2363 (Bolero) attached to AE	095013/01.03.2022	16,536/-

4.3 Non –Levy of Taxes - Gangtok Zilla Panchayat

Taxation is an important source of revenue generation. If imposed in the right manner, it minimises the dependency of the Zilla Panchayat on the central budget. Section 77 (1) of Sikkim Panchayat Act, 1993 lays down the guidelines to impose taxes, rates and fees by the Zilla Panchayat with the approval of the State Government on the subjects mentioned from clause (a) to (k).

However, it was noticed by the audit team that the Zilla panchayat had not initiated any steps to identify the area to levy tax nor collected any revenue. The collection of revenue in the form of canteen rent (Rs 22,300/- p.a.) and cafeteria rent (Rs 72,800/- p.a.) was also discontinued by the Zilla Panchayat in April 2022. Further it was also noticed that the ZP could have utilised the conference hall to generate revenue as was done in the previous years by the ZP.

4.4 Expenditure incurred for distribution of materials by ZP -₹1,50,16,880 /- Gangtok Zilla Panchayat

The Zilla Panchayat had distributed various materials / items to different beneficiaries during the financial year 2022-23 amounting to a total of Rs. 1,50,16,880/-, the details of which are given below:

Sl. No.	Name of Fund	Name of Work/ Details of Distribution	Sanction Amount	Cheque no
1	SFC	Final adjustment bill for the supply of materials to be distributed	682172/-	518277
2	SFC	supply of materials to be distributed	4640290/-	511021
3	SFC	75% advance for supply of materials to be distributed	6123536/-	527458

4	SFC	2nd instalment bill for supply of materials to be distributed	2041179/-	527573
5	SFC	Final adjustment bill for the supply of materials to be distributed	1529703/-	527485

The distributions mentioned above were all carried out during the financial year 2022-23. On scrutiny of documents it was observed that the purchase procedure was not followed by the ZP during the purchase of the items for distribution. To ensure the quality and reasonable rates of any item, the steps mentioned below have to be taken into consideration:

- i. The firm/Supplier must be reliable and registered firm for selling/supplying the items,
- ii. Quotations of at least three such firms have to be obtained to ensure the reasonable rates,
- iii. Comparative statement has to be prepared for approval of the lowest rate quoted.
- iv. After approval of rates, supply order is to be issued and on receipt of bill, payment be made.

It was also noticed in most cases that the beneficiary list for the items distributed was also not prepared by the ZP which should have been done to assure that the items are being handed over to the rightful organisation/person.

AUDIT ONLINE

As per Para 5 (A) of the Operational Guidelines of XV Finance Commission dated 14th July 2021; both the Tied and Untied grants shall be released subject to fulfilment of mandatory conditions, amongst which, one of the conditions is that Rural Local Bodies have to make available online both provisional accounts of the previous year and audited accounts of the year before previous.

The XV Finance Commission in its recommendation has expressed concerns over the unavailability of audited accounts at the local body level. Hence to strengthen the financial management system in the Panchayats, the Ministry of Panchayati Raj (MoPR) has conceptualised and developed an application called AuditOnline for online audits of Panchayat accounts. The Audit Online application was rolled out by M/o Panchayati Raj on 15th April 2020, to facilitate the availability of the audited accounts of the Panchayats.

AuditOnline is one of the generic and open-source applications developed as a part of Panchayat Enterprise Suite (PES) under the e-panchayat Mission Mode Project (MMP) initiated by the Ministry of Panchayati Raj (MoPR). AuditOnline facilitates the financial audit of accounts at all three levels of Panchayats viz District, Block and Village Panchayats, Urban Local Bodies (ULB), and Line department by Auditors (State AG/LFA). AuditOnline facilitates recording details for both Internal and External Audit as per the defined process. The software not only facilitates the online and offline audit of accounts but also serves the purpose of maintaining the past audit records of the auditee with the associated list of the auditors and audit team involved in the audit and acts as a good financial audit tool and improves transparency & accountability. Also, the information is available in the public domain and for usage by other PES applications.

PART II - MUNICIPALITIES

A. AUDIT PARAS OF NAGAR PANCHAYAT

Some of the selected audit objections of Nagar Panchayat for the financial year 2021-22 & 2022-23 are enumerated below.

1. NON ADHERENCE TO RULES

1.1 Technical Report not obtained for purchase of tyres for vehicle no SK.02.D.0672 - Gyalshing Nagar Panchayat

Gyalshing Nagar Panchayat was in possession of three Government vehicles attached to MEO, Vice Chairman (VC) and Vice Chairman with vehicle no. SK.02.G.0258, SK.02.G.0042 and SK.02.G.0041 respectively. It also possesses three nos. of Garbage vehicles viz., SK.02.TR.4257 (Garbage truck), SK.02.D0672 (Tipper) and SK.02.D1457 (garbage trucks).

It was found that Nagar Panchayat did not obtain a Technical report from SNT Department for procurement of tyres for vehicle registration no. SK.02.D.0672. NP is therefore advised to furnish the reply on such discrepancies.

2. LOSS OF REVENUE

2.1 Non-collection of revenue - Gyalshing Nagar Panchayat

On the scrutiny of records, it was found that there was an outstanding rent of I.D.M.S.T. Shopping Complex at Gyalshing Bazar amounting to Rs. 9,07,250/- which was not collected by the concerned authority. This has led to loss of revenue.

Sl. No.	Name of Allottee	Room No.	Outstanding arrear upto December 2023

B. AUDIT PARAS OF MUNICIPAL COUNCIL

1. LOSS OF REVENUE

1.1 Car parking contract & Bazaar contract - Namchi Municipal Council

Car parking contract & Bazaar contract were awarded to the following awardees for financial year 1st April 2021-22 & 2022-2023 but on scrutiny it was ascertained that the NMC is not being able to collect all the instalments which has led to a loss of Rs. 5,40,000/- in car parking contract and Rs. 4,90,000/- in Bazaar contract.

Therefore it is advised to take appropriate action to collect the dues and intimate to Audit regarding the progress. The details are as under:

a) Car parking contract

Year	Awarded to	Offset price	Awarded price	SD received	Instalment collected	Amount due for collection
2021-22	Subash Tamang	7,00,000/-	7,00,000/-	2,10,000/-	3,00,000/-	1,90,000/-

Total Dues					4,90,000/-

1.2 Non-collection of revenue Rs. 57,82,220/- Namchi Municipal Council

Namchi Municipal Council had allotted shops to 70 allottees under the car parking plaza. But it was seen that NMC was unable to collect the rent on time as a result an amount of Rs. 57,82,220/- has remained outstanding. This has led to the loss of revenue. The outstanding rent as on March 2023 are detailed below:

Sl. No.	Name of Allottees	Dues

2. EXCESS EXPENDITURE

2.1 Excess expenditure on repair of vehicles - Rs 14,73,558/- Namchi Municipal Council

As per Para 1 in Appendix 3A of Sikkim Financial Rules, the expenditure on repairs of Government vehicles shall not exceed the ceiling specified in Schedule I of this Appendix wherein year wise cumulative ceiling on cost of repairs is stipulated. However on scrutiny of records, it was revealed that NMC does not seem to follow the Schedule I of Appendix 3A of Sikkim Financial Rules as it was seen that the expenditure on vehicle repairs has exceeded the limit which is highly irregular. It is suggested to follow the schedule-I and incur expenditure within the ceiling limit.

Sl. No.	Vehicle no.	Vehicle type	Year completed	Ceiling limit	Expenditure incurred	Excess

C. AUDIT PARAS OF MUNICIPAL CORPORATION

1. NON ADHERENCE TO RULES

1.1 Committees not formulated

As per section 27(1) of Sikkim Municipality Act 2007, a Municipal Corporation may constitute a subject committee consisting of councillors to deal with issues like a) water supply, drainage and sewerage and solid waste management b) urban environment management and land use control and c) slum services. Besides, Municipal Corporation may constitute an ad hoc committee and joint committee to perform such functions as the State Government may direct.

However, the Municipal Corporation had not constituted any committee. As a result, inputs and specialised knowledge expected from the subject committee were not forthcoming to deal with issues like water supply, drainage and sewerage, solid waste management, urban environment management and slum services.

CONCLUSION

The conclusion drawn based on the audit conducted on the accounts of the Local Bodies are as under:

The Sikkim Local Fund Audit Act 2012 mandates the Directorate of Local Fund Audit (DLFA) to conduct an audit on the accounts of the local bodies in conformity with the recommendations of the Central Finance Commission, Government of India. The audit of the accounts of the local bodies in the state of Sikkim started in the financial year 2012–2013. The Directorate of Local Fund Audit (DLFA) has been steadily expanding the audit coverage of local bodies each year, and in the fiscal year 2023–2024, the DLFA audited the accounts of 208 (out of 212) units of PRIs and ULBs details at Appendix - I.

During the audit, various irregularities and discrepancies were noticed in most of the local bodies, and observations were raised. Common observations were noticed in the functioning of local bodies such as non-adherence to rules, notifications, and circulars of the State and Central Government. In most of the local bodies, expenditures were incurred without the preparation of vouchers as required under the provisions of the standing Acts/Rules. In some cases the local bodies have neglected to remit the realised taxes and revenues like GST, TDS, and forest royalties into the government account. Adoption of rates for store procurement without a proper survey, analysis, and investigation of current market rates which resulted in excess payments were discovered in the local bodies during the audit. Most of the local bodies did not maintain basic records properly such as a cash book, receipt, and payment register, assets and liabilities register, advance register, contingent audit register or ledger, bill register, or salary audit register. The non-levy of taxes under Sections 39[1] and 40[1] of the Sikkim Panchayat Act, 1993, was also noticed. The biggest setback with the local bodies observed is the non-response of replies against the observations made by the Auditors which is to be done online.

In response to the audit observations, the local bodies have taken the initiative to note the suggestions, and there has been a marked improvement in bookkeeping and accounting. However, the nodal departments have not provided adequate training to the local body functionaries on bookkeeping, accounting, planning, audit, and taxation. Therefore, the nodal departments are suggested to carry out their internal checking of their local bodies and provide required training and resources for improvement in their proper functioning.

The AuditOnline application was rolled out by M/o Panchayati Raj on 15th April 2020, by the Secretary, of the Ministry of Panchayat Raj, through a video conference (VC), to facilitate the availability of the audited accounts of the Panchayats in the public domain. The states were asked to initiate an online audit for 20% of GPUs for the accounts of the Central FC grant for the year 2019–20. As per Para 5 (A) of the Operational Guidelines of XV Finance Commission dated 14th July 2021; both the Tied and Untied grants shall be released

subject to fulfilment of mandatory conditions, amongst which, one of the conditions is that Rural Local Bodies have to make available online both provisional accounts of the previous year and audited accounts of the year before previous. On the recommendation of the 15th FC, the Ministry of Panchayati Raj on June 22, 2021, directed all the states to conduct a 100 percent audit of the accounts of PRIs for the expenditures incurred under the XV FC grants. The XV FC report mandates that with effect from 2023-24, all accounts are to be audited & completed by September of the particular year i.e., for FY 2022-23. The DLFA has completed the given targets of 100% audits of the accounts of PRIs for the FY 2022-23.

The audit coverage of local bodies by DLFA in the state are being met despite the shortage of manpower, limited resources and logistics, like touring vehicles, in the Directorate.

During the audit, DLFA made all attempts to inform the responsible authorities of the local bodies of all the relevant standing Government laws and regulations, as well as the Financial Rules framed for the proper operation of the local bodies. The proper bookkeeping of all expenditures and revenues was explained to the local bodies as well. The XV FC's mandates the deployment of the Audit Online platform for audit processes such as audit reply and response, have been made clear to the PRIs. The concerned local body officials have assured the audit teams that any gaps will be examined and that all required steps will be taken to ensure that the audit's recommendations are implemented.
